Hello Members,

Greetings on another steamy stormy day on the Grand Lagoon in late summer. Fortunately we have dodged the latest storms - Marco and Laura. This is going to be an active season for sure. Let's all stay diligent and aware of what's out there.

Club activity was very good this past month. We did get a little cramped a few evenings due to the weather and seating limits, but overall everyone enjoyed the property, our galley and bar. We added some live entertainment and trivia night has returned. I appreciate everyone's support and patience in August.

Thanks as always to our staff for serving us, and to the GLYC Board for their efforts for the club. Please send any suggestions or comments to membership@grandlagoon yachtclub.com.

I trust that all of you remain safe and well during this challenging time. See you around the club.

The Vice's Voice

Greetings Members!

We certainly dodged a bullet with two potential storm threats. Let's keep our fingers crossed for the rest of the season! We have had entertainment downstairs a few times this past month and it has been so popular that we are going to try and have it every other week. In September we will have Platinum Premier on the 11th and Stephanie Stout on September 25th. Reminders will be sent out in the Weekly Special emails. Tara and Kathy have put their heads together and starting every Thursday in September, we will have an hors d'oeuvre and a featured cocktail that will complement the hors d'oeuvre. Let us know your favorite and it may just end up on the menu!!

Looking for something new and different? Why not try Tai Chi? Every Tuesday and Thursday morning at 8:30, downstairs. Not a Tai Chi person? Get together with friends and try your hand at Trivia, every third Thursday of the month starting at 6:30. GLYC has merchandise! Hats, masks, neckties, burgees (small and medium), window stickers, koozies, cookbooks and t-shirts. Merchandise samples can be found on the bookcase outside of the kitchen. You can pay for and receive your merchandise at the bar. The elevator has been inspected and is in working order. Please follow the instructions posted inside. Cheers and here's hoping for a great September!

Hello Members,

Hope everyone survived the storm and GLYC parking 😊 for the month of August. As you read this we would have survived the last two storms. Thanks to Lawrence Donelan for his work on the dock numbering the blow out panels and his involvement in keeping us apprised of the storm conditions. In addition thanks to Don Watson for the updates. Wet slips are filling up with only a couple available. Dry slips are full, 4 members on the wait list (See sheet in club hallway across from head). We are still going to be striping the front parking lot to provide some absentee instruction on where to park vehicles. In addition, the aft (South) lot by stairs. Big thanks to Joe and Gina Linn for the Beach fire pit on the south west beach. This will be good addition when things cool off. We would like to add a frame for stacking firewood down there also if anyone has ideas contact me.

R,

Bob Toole, Rear Commodore

CRAPPY CRAFTER'S CORNER

How long before New Year's Eve?? I'm ready. Two major storms in the gulf this month. Lord, what have we got to look forward to in September? Maybe Labor Day will bring something great.

Our August gathering was a little small, but fun. Only nine of us got together at The Flora Bama Yacht Club. Good food, good drinks, and only one bill. We had to kinda estimate our own totals, but it wasn't that hard to do. Had we been told ahead of time, we would have been prepared or asked for separate checks. Kinda felt sorry for our server. We'll be sure to ask next time.

Our September gathering is up in the air right now. Lunch, for sure, at the Oar House, but our crafting part is not for sure. Cheri will keep us posted.

Remember the good ole days. Our gatherings at the Yacht Club then off to lunch somewhere. We had some great years and great times. Bring back them good ole days.

Our Birthday girls for September are Lydia on the 1st, Dee Marie on the 14th, and Sally on the 20th. Party on girls and make it a happy and memorable month.

Stay safe and Happy Crafting, Kathy (Happy Birthday Mike on the 3rd)

Example: A member spends \$10 for the month on either bar or galley but has not met the monthly minimum of \$25. This member will be assessed the \$25 minimum monthly fee on their next invoice.

Neck Ties by Special Order

We're back! And as awesome as ever. This month's question: What was Forest Gump's favorite drink? Twelve thinkers came out to make up the BABS and the West End Gang. They were in a tie at the end of the first half, but the West End Gang edged out the BABS in the end. Unless we fill the dining room to capacity, a highly unlikely event, social distancing will not be a problem. Bring your brainiac friends out on **September 17** to challenge the other teams to an evening of fun, informative questions. Only \$10 per team, no limit on team size.

Are you going covid-quarantine crazy and looking for a break? Tai chi is a fun, relaxing, safe activity with plenty of social distancing. It's a great way to meet some of your fellow club members, too.

GLYC is starting a beginners' group for an easy to learn, low impact version designed to improve your mobility, flexibility, balance, and core strength. The regular tai chi group meets downstairs Tuesday and Thursday mornings from 8:30 to 9:00. Come at 9:00 for some introductory steps, and you'll be ready to join the regular group in no time! No special equipment is needed--just be sure to bring your drinking water and a good attitude. This member-led activity is free, but the benefits of tai chi are priceless. See you there!
