Hello Members,

If you have been by the club lately, you will see that we have made some progress over the past several weeks. Many boats have been “recovered” and much has been accomplished with cleanup around the property. There remains much to do and plan. We still have not heard back from flood or wind insurance providers but have decided to repair the back steps and associated concrete downstairs. This should be completed soon. This will help with access to the building and allow for more use of the back deck. I would like to especially thank Bob Matson and Bob Toole for their tireless efforts with cleanup and general house projects these past few months. If you see either of them, please thank them for their tireless commitment to GLYC.

There will be a general membership meeting on Thursday November 19th at 630pm. This is when we will report on club status and present the final list of flag officers and Board member candidates. It is also an opportunity for members to address the Board with questions or concerns. We are in need of members to volunteer for board positions. Member involvement is more critical than ever. I know several individuals currently serving would like a break. There are three open Board positions along with all 5 Flag officer positions for next year.. We have major rebuilding projects ahead and need more member support and input. There must be some of you who have talent and time to contribute. Who is out there that wants to do more for the club?

We continue to offer our great bar and galley service during these challenging times. All of our staff have been awesome. Thanks to all of you for your continued support of GLYC and I foresee slow but steady improvements into the new year.

Thanks, and stay safe.

Reminder - \$25 Minimum Monthly Fee for Bar/Galley

Please be aware that the Grand Lagoon Yacht Club imposes a \$25 minimum monthly fee for the bar/galley. This means that each "member number" must spend a minimum of \$25 each month for this fee to be waived. Example: A member spends \$10 for the month on either bar or galley but has not met the monthly minimum of \$25. This member will be assessed the \$25 minimum monthly fee on their next invoice.

If you score a 298 in bowling, how many pins did you knock down in the tenth frame? Two of the three teams who played on Trivia Night on the 15th knew the correct answer. BABS and the West Siders were tied at the half with newcomer, Sweet Things, only three points behind. Sweet Things did a lot better the second half getting more of the one-pointers correct than the other teams; however, the final multiple point question was the difference maker. In the end, BABS got all eight points on question number 20 to edge out West Siders by one point for the win.

NOMINATIONS AND ELECTION

In accordance with Article IV, Section 1 of the By-Laws, the Nominations Committee was named and Jim Phillips will be in charge this year. A sign-up board will be posted the required two or more weeks prior to the General Membership meeting that will be held on November 19, 2020. To sign up, a candidate must print his or her name in the designated space and sign in the designated place. If candidates wish to remove their names, they must strike through their names and initial at the end of the lines.

Nominations from the floor are encouraged; however, there will be no nominations or write-in votes presented on Election Day in December.

The Flag Officers will be elected annually. The five Board Members will be elected to two-years terms in the following staggered manner: two will be elected in a given year followed by three the following year. As two Board Members were elected for 2020, three will be elected this cycle for 2021. The election date will be posted in an all-hands email. The newly elected officers and Board members will take office at the first meeting in January.

The Election Committee will use a current list of all regular members in good standing to determine eligibility to vote, one vote per membership number. The Election Committee will provide printed ballots on the designated Election Night, tally, verify, and announce the results. Ties will be broken in accordance with Article V, Section 3, para C, of the By-Laws. Persons who wish to vote absentee must pick up ballots at the Club.

Absentee ballots must be notarized and delivered sealed, to the Club prior to election day. Those ballots will be opened and counted by the Election Committee with the ones cast at the regular election.
