Commodore's Corner

Greetings,

Our first board meeting of the year went very well with a lot of new ideas being discussed for the upcoming year.

However, we would like to hear from you the club members with your ideas and concerns as well. So please email or see me in person to discuss your thoughts. We are in the planning stages on getting down below ready for more outdoor functions. There will be new tables and chairs and other items for the members pleasure. Also, with COVID still hanging over our heads this will be a great place to socialize with your safety concerns.

I don't want to take away from your other flag officers comments so be safe and please patronize the club when you can.

Respectfully,
Bill Burnard
Commodore-GLYC

The Vice's Voice

As we strive to improve our communication, we hope to E-Blast and Facebook the weekly specials and events earlier, so you can plan to join us for some of Chef Tara's delicious Wednesday and Friday specials and Thursday Appetizer plates.

Some members have already discovered the take-out program. Call 850-607-7569 and place your order for menu items, as well as specials. Also, a menu refresh is in the works.

If we should happen to fall short of your expectations, please let me know. Also, any suggestions for improvement are always appreciated. Friday's will also include the Member Drawing, but you gotta be there to win!!

Late last year, we installed ultraviolet filters in the HVAC air handling system. UV filters help kill air-borne bacteria and virus, making the air coming out of the ducts cleaner and healthier. Look for new tables downstairs, soon. Bill Burnard has been hard at work to make useable stand-up and sit-down tables for your enjoyment.

Therese Dodson has enthusiastically jumped into the Entertainment Committee Chair. Thanks Therese! If you want to help out, her email entertainment@grandlagoonyachtclub.com.

We have received PPP Phase 2 funds from the SBA, which we believe will be 100% forgiven, just like Phase 1.

Enjoy your club,
Bob Matson, Vice Commodore

Members of Grand Lagoon Yacht Club,

I hope that everyone is well and staying safe. We are approaching a big month. The work on the new Dock is scheduled to begin the first week of February. It will be exciting to see another step toward the recovery efforts. The last couple of damaged boats are to be removed any day now. We hope to be scheduling more work days during the next few months to aid in the efforts to have the property ready for the upcoming season. Members participation will be greatly appreciated. It appears that the scheduled contractors are preparing to make this rebuild process as smooth as possible. Please feel free to contact me for any concerns during this process. The plans for reconstruction show a beautiful facility that all should be very proud of.

There have been a few changes to the location of the boats in the dry storage. If these changes affect the access to your boat then please let us know. Speaking of moving boats around. Please maintain your trailer so that it can easily be relocated if need be during this construction period. Currently we have 5 spaces available for boat dry storage and 1 Jet Ski space. We plan to make a few more small craft spaces around the Sail Locker. Members that are purchasing new boats have called about spaces. So, if you have an interest please let us know before we fill up again.

Looking forward to seeing all at the club during the days ahead. I wish everyone good health. As always your comments and concerns are important to our growth.

**Regards,
Capt. Scott Walley
Rear Commodore**

From the Fleet Captain

Hey everyone!

We haven't had much sailing or boat action as yet, way too cold for even the heartiest small boat sailors! And that's not me! But that doesn't mean we haven't been planning. Right now we're still working on getting the Sail Loft fixed up and back in action. That's coming along and we expect to be putting in shelves and moving our equipment and sails in a few weeks. Unfortunately, the Sailing Committee decided that the Redneck Regatta will be postponed until next January. We know this is a popular event, but we felt with the pandemic issues it was not a good social distancing type of event. We do intend to start our **Wednesday night sailing/ semi-racing again on Wednesday, March 31st**. Hopefully it will have warmed up enough by then, plus it will be after daylight savings, so we should be able to have some good sailing. Boat rig-ups will start about 4 PM and First unofficial start will be at 4:30 PM. This is as low-key racing as we can get! It's mainly just sailing in a group, heading the same direction. If you're interested in getting involved, and are unsure of your sailing skills, please let us know and we'll get you checked out on the boats and give you some on-water sailing instruction. We have several very experienced sailors that are eager to help you learn.

And just for planning purposes, we are intending to hold **Sail Camp this summer on July 6, 7 & 8th**. We will be coming out with much more details for Sail Camp soon. We'll also be holding a **GLYC Raft-UP sometime in June**, trying to get all our boaters on the water and socializing. This will of course be planned with the Covid restrictions at the time in mind. More on that later! Til then, Sail Safe!

A big thank you to Meg Matson for the beautifully decorated Mardi Gras tree and Countess Guilles for the labor intensive stringing of all the beads. The club looks fantastic for Mardi Gras. Put your beads on and come on out for the Mardi Gras party on Feb 12.

CRAPPY CRAFTER'S CORNER

On a positive note, 2020 is officially over, and we're forging ahead in 2021. With our new regime, our new Club Officers, of course, the future looks bright. The rebuilding of our dock should be in the works around the first of February, our deck stairs are back, our Crappy Crafters gatherings are now on Thursdays for a while, we're crafting again, and we're together. One day at a time Lord.

Sorry I missed our January gathering. I was told the jewelry making was fun and the food was great, as usual. (I was having eye surgery. Now I can see to craft) Our February gathering on the 11th is gonna be fun too, I'm sure. Making purses out of towels with the leadership of Jeanne Chandler. How ironic our February gathering in 2020 was on the 11th also, but on Tuesday. Could be a sign?? Our lunch is gonna be at Kyoto's, which I missed last year. It's an awesome place to eat and the experience is great.

Shell Jewelry in January

Want to mention January's birthday girls. Beckley on the 2nd, and Sue on the 6th. Happy belated birthday ladies. February birthday girls are Judy on the 2nd and Marilyn on the 25th. The month belongs to y'all.

Happy **Mardi Gras** y'all, and, again, one day at a time Lord.

Stay safe and happy crafting,

Kathy Haskins

BILL HARGREAVES FISHING RODEO

2021 Dates: June 17 – 20, Father's Day Weekend

Our initial planning meeting was held on Jan 20. Turnout was a little light. The success of our 50th BHFR requires broad-based GLYC member support for success. I encourage all members to attend future meeting. **Our next general meeting is scheduled for Wednesday, Feb 10 at 6:30 pm.** Whatever time and talent you have can, and will be, much appreciated. Decisions related to fees and specific events/timetables will be discussed at this meeting. Weather permitting we'll meet downstairs. Come join us.

Please contact me or any board member for additional information.

Tai Chi

Are you going nutty with the Co-Vid Crazies? Science has shown the tai chi is both good exercise and good medicine. Harvard Medical School and other research centers show that tai chi can lower blood pressure, relieve back and arthritic pains, and improve balance. And as far as the Crazies go, it can improve your sense of peace and calm. There's no better time than now to get started. Several new people have joined recently, so there is a basic introductory session going on just for you.

We meet downstairs, weather permitting, or upstairs if it doesn't. No special clothing or equipment is required for this low impact activity. Just dress for the weather.

Sessions are at **8:30 a.m. every Tuesday and Thursday** and lasts 30-45 minutes.

The cost for this member-led activity is free, but the benefits are priceless.

January's trivia answered the question: What one-hit wonders recorded that romantic classic, "Who Let the Dogs Out?" Don't know? Look for the answer somewhere in the rest of the Lagoon Lines. Be careful, though. Our new editor will probably be as tricky as the last one at hiding the answer. I'm still looking for the one from January! Twelve players made up the two think-tank teams that puzzled out the answers to GLYC's 20 Questions Trivia. The winners were The BABS and Three Dicks. This previously all female team added some testosterone to beef up its brain power to best the West Siders in this battle of the minds. While the questions are stimulating and entertaining, the side comments from the players are hilarious, especially after a few adult beverages.

Grab your smarty-pants friends, and form a team to join in the fun on **February 18**.

Cost is only \$10 per team--no limit on team size.

The questions and the comments from the Peanut Gallery start at 6:30.

January's Bunco Night had the smallest number of participants in years--still, the thirteen players who were there had a rockin' good time. Father Time, Baby New Year, and Party Gras joined in to round out the field. Most Losses was taken by Larry Staak, First Bunco was claimed by Kay Main, and Last Bunco by Joan Ferry. Five players scored Half and Half: Allison Strickland, Kay Main, C.J. Bordelan, Joan Ferry, and Countess Guiles. Countess also had five Buncos to win the Most Buncos category. Tracy Sclease captured Second, and Most Wins was taken by Trudy Staak.

February's Bunco Night will be **February 4**. Registration starts at 6:00, and the fun starts at 6:30. And yes, guests are welcome--the more, the merrier. Cost is only \$10 per player for this fun, fast, easy to learn game. It's a great way to meet other fun-loving GLYC's and to find out how everyone is faring in this crazy, Co-Vid world.

A GENTLE REMINDER FROM THE BOARD

Please remember to pay your monthly invoice by the 10th of the month. It really helps your Club maintain a healthy financial status each month as well as efficient budget maintenance.

Reminder - \$25 Minimum Monthly Fee for Bar/Galley

Please be aware that the Grand Lagoon Yacht Club imposes a \$25 minimum monthly fee for the bar/galley. This means that each "member number" must spend a minimum of \$25 each month for this fee to be waived. Example: A member spends \$10 for the month on either bar or galley but has not met the monthly minimum of \$25. This member will be assessed the \$25 minimum monthly fee on their next invoice.
