Commodore's Corner

Greetings everyone,

Your club is looking better and better every day and soon will be in the set back and relax mode. This is thanks to the board of governors that you elected. I hope you also noticed the increase in membership the club is experiencing.

I like to give a big shout out to our Fleet Captain Kevin Marshall for a tremendous turnout for this year's sailing camp. It was one of the biggest or if not the biggest event the club has experienced. Also all the volunteers the were involving for the success of the camp.

Enjoy your club and see you there.

Bill Burnard
Commodore-GLYC

The Vice's Voice

Thanks to all members and volunteers that made this year's Hargreaves a HUGE success!! The Crappy Crafters, well deserved recipients of "Volunteers of the Year Award" did an awesome job on the Silent Auction, exceeding 2019 by over \$4,000.

Looking forward to seeing you at the All Hand's Meeting, August 12, 2021.

Don't forget take-out! If you can't join us in person, call 850-607-7569 and place your order for menu items, as well as specials.

If we should happen to fall short of your expectations, please let me know. Also, any suggestions for improvement are always appreciated.

Friday's will also include the Member Drawing, but you GOTTA BE THERE to win!!

Enjoy your club,
Bob Matson, Vice Commodore

Hello All,

Well, it's hard to believe that August is here. We have had a pretty darn good summer at the club despite our ongoing recovery process.

I for one think that the process has been a great success. We have been able to have several great events downstairs. The dock is certainly something amazing to be proud of. The attendance during the week has been up, and membership is on a steady rise.

As far as the property goes, we are still moving forward with the improvements. The dock was for the most part, completed in time for the 4th of July celebration, and the Hargraves. It appears that the electricity will be functional very soon. In speaking with the Electrician today, it was mentioned that all of the work has been inspected and passed. There is one minor thing that the power company needs to do. There is some debris removal and concrete work scheduled to be done. Hopefully we can get a few more things going to make us whole again.

We still have wet slips on the East and West side available. However, this seems to be a major interest in the new members. Dry storage has a waiting list, but I expect there will be some openings as some of these boats move to a wet slip on a lift. I believe that I mentioned last month about working on new dock rules and the hurricane plan. I have finished the hurricane plan with the help of some others. This will get put together this week or next, and turned into the higher ups for review. Members in the wet and dry slips can be of help by making sure that their boats and/or trailers are mobile. If I can ever help anyone move their boat for a storm, then please do not hesitate to call on me.

I wanted to thank those that have come out to help work and clean up for the events this past month. A huge thank you goes out to Chris Bonner for his work with the Hargraves. Thank you to those that volunteered to help make the Hargraves a huge success. The club staff as usual has done an amazing job with everything. Well that's about all I got. As always I work for the GLYC Family. Please call on me if I can be of assistance. See you all at the club.

Best Regards,
Captain Scott A. Walley
Rear Commodore GLYC

From the Fleet Captain

Hey, Everyone!

The winds have been a little light of late, so this would be an excellent time for folks that want to learn to get out there and get the basics down before the wind pipes up! We inventoried all the club boats for Sail Camp, and they are in great shape and ready to go. If you want to sail, or learn to sail, just give us a call.

Raft UP! The Raft Up had to be rescheduled again, but we are determined to get it going on August 14, 2021, from 10 AM to 2 PM. The location will be over by Redfish Point in Grand Lagoon. This raft up is for all power and sail boats that can make it across the lagoon. Due to crowded conditions on the weekends we will stay well clear of the Ft McRee cove. We will be anchoring in 2-3 feet of water, or you can beach your boats and wade out to the raft up. Power boaters will form the base of the raft up - all are reminded to bring plenty of fenders (and sunscreen)! The plan is to arrive about 10 AM, have a leisurely lunch, and then return home by late afternoon. All boats need to bring your coolers and plenty of food and refreshments, since you may be sharing with a neighbor boat!

**Who's ready for a
RAFT UP?**

Since GLYC has not had a **Raft UP** in several years, we want as many power boats and sail boats as possible. Members that don't have boats are very welcome to attend! We will have a sign-up list at the Club for people without boats that want to attend, as well as folks that do have boats that are willing to bring a few extra members. This is a great way to get more people involved on the water, plus you may make some new friends at the club!

Sign-up sheets are posted at the Club.

Sail Camp was OUTSTANDING for our 21 young sailors, and for the adults that helped out! We did have some weather issues that popped up, but with the excellent staff we kept the kids moving and learning continuously for all three days! I particularly want to thank the folks that made this happen: Janice and Bob Grabham (arts and crafts and safety boat), Debbie and Glen Kent (arts and crafts and safety boat), Debbie and Pete Buckley (sailing instructors), Tony Colabianchi (sailboat and sailing instructor), Shaun Clements (sailing instructor), Mark Heinold (sailboat and sailing instructor), Laurence Donolan (safety boat and sailing instructor), and Rogan Oliver (sailing instructor). These folks did an excellent job and helped this program immensely. Thank you very much!

That's all for now, Sail Safe
Kevin

BILL HARGREAVES FISHING RODEO

First, thank you to all GLYC members. Your generosity in both time and money is the fuel that powers the BHFR. A special thanks to all this year's volunteers. Without you, the BHFR would never happen.

Preliminary financial results point to a successful 2021 tournament. Adult entries were very similar to 2019 although Junior registrants were lower. The silent auction was outstanding. Thank you, Crappy Crafters.

I have completed my two-year commitment as chairman of the rodeo. Rest assured I will assist in any way in 2022 to ensure the success of the 51st BHFR.

Your BHFR feedback is important for us to improve each year. Please send your ideas and comments related to changes and improvements for next year's tournament to membership@grandlagoonyachtclub.com. Please call me if you prefer.

CRAPPY CRAFTERS CORNER

Wow, finally a great month with no negativity, just a lot of happy times. Our 4th of July spectacular was awesome with the biggest crowd we've had in months, thanks to Anthony, Rusty, and Gary. Our 50th annual Hargreaves Fishing Rodeo (which had to be postponed from Father's Day due to horrible weather) was an amazing success thanks to the leadership of Chris Bonner. The Silent Auction (Meg, Jeanne, and Jen), selling Rodeo tickets (Marti and me), our Garage Sale (me, Marti, and Shari), selling more food tickets (Marti), selling 50/50 tickets (Maureen), selling t-shirts (Marilyn and Sue), serving up the Fish Fry meals (me, Mike, John, Red, and Sally). Phew!!! Busy four days, but sooooo worth it. Then our Crappy Crafters winning Volunteer Award. We ROCK. What an amazing Yacht Club we belong to and what an amazing group of women we have become. We just keep getting better.

Our Biloxi Bus is full thanks to (again, another Crappy Crafter) Georgia. She's my right hand "man". Pick up at 8:30 on the 11th and leaving at 9:00 sharp. Please be there early so we can count heads. We'll be loading the party stuff first so please be patient. Also, Debbie (our hostess) needs to check everybody in. Georgia, of course, and her barback, Mike, will be serving up the beverages. If anybody wishes to bring extra stuff, please keep it with you and we can pass it back and forth. We will be playing Bingo and doing a 50/50, so bring small bills. Soooo excited to be doing this again. It's been exactly 23 months to the day since our last trip. See y'all there.

The next day, the 12th, is our Crappy Crafter gathering at 10:00. Painting with Meg. Should be fun then we'll meander to lunch somewhere. Think of a place you'd like to go.

To end the month on a high note, was our Pig Roast and Reggae band down stairs on the 31st. Thanks to Chris, Bob, and Tara for the awesome BBQ and all the fixings by our kitchen staff. With my volunteer, Marti, we sold \$330.00 worth of 50/50 tickets. We first did door prizes with David Jolly (fishing reel), Jim Gilliland (a wine basket), and Joan Ferry (cookbook basket) as winners, and Mike Haskins winning the 50/50 (\$165.00). It's so much fun to see how many of our members jump in to help (my Mike and Jim Miller helping to serve). Thanks again, to our kitchen staff for an amazing meal, and of course it wouldn't have been a party without our amazing bar staff.

Thank you, Kathy Renfrow for all you do.

One lonely (I mean only) birthday girl, Joan Ferry on the 14th). The month belongs to you, girl.

Happy Crafting, y'all.

Kathy Haskins

Our July crowd was small but lively. Only ten hardy souls came out to play, but it was still fun, fun, fun! In honor of Independence Day, Uncle Sam and Yankee Doodle rounded out the field. The light turn-out was probably because it fell on the first day of the month coupled with vacations, July 4th prep, etc. Kay Main and Joan Ferry ties for Most Losses, and Countess Guiles took First Bunco, Last Bunco and Most Buncos. It was almost like she was playing by herself. There were no Half and Half for the first time ever, and the Most Wins was a tie between Shari Sparby and Tracy Sclease.

The next Bunco is scheduled for August 5. Cost is only \$10 per player for an evening of fast, fun, easy to learn Bunco and the opportunity to interact with your fellow GLYCers. If we're lucky, Shari will bring her world-famous cheese straws, again! Registration starts at 6:00 and the fun at 6:30.

GLYC FUN IN JULY

A big **THANKS** to each club member who donated something to our Silent Auction and an even bigger **THANKS** to Jeanne Williams, Meg Matson and Jennifer Jaffurs for all their hard work, thanks to them the items were all beautifully presented and brought in the big bucks! The items were so awesome we ended up with less than a dozen not picked up on that Sunday. As of July 28, after a few phone calls, we know of only 2 items that don't have a home and Jeanne Williams will be auctioning them off to club members soon.

In addition, many THANKS to Kathy Haskins for taking the lead on the Rummage Sale. It turned out to be very profitable and from what I hear a lot of FUN! And I'm so proud to announce to all of you who weren't at the Rodeo on Sundaythe Rodeo Volunteer of the Year Award went to the **CRAPPY CRAFTERS!!!!!!** We had members working Thursday, Friday, Saturday and Sunday in addition to all the behind the scenes work they did in the months before. **Way to go team!**

It was my honor working with all of you to help make this one of the best events in Rodeo History.

Cheri Honeycutt

If you go "sniggling," what are you doing? You'll find the answer somewhere in this newsletter, but 21 people making up July's three trivia teams had a chance to answer this and nineteen other intriguing questions during the most recent evening of drinking and thinking. At the end of the very tight first half, the West Enders lead by only one point over both the 'Nattis and the Smart Asses. However, the second half saw the 'Nattis fade a little, but the Smart Asses picked up the pace and ended in a tie with the West Enders for the win. **Your next to match wits in team trivia is scheduled for August 19.** Cost is only \$10 per team, no limit on team size. Get your friends together to enjoy Tara's appetizers, and put your drinking caps on for the 6:30 start of the questions.

Tai Chi

Tai chi is an ancient Chinese form of slow, deliberate movements designed to improve flexibility, balance, and strength. It is also highly effective in reducing stress and promoting a sense of well-being. Who couldn't use more of that!

GLYC's tai chi group meets **every Tuesday and Thursday at 8:30 a.m. and lasts 30-45 minutes.** If you have been thinking about joining, now is an excellent time. Several new people have started, so we are going back to the basics. The movements are low impact and easy to learn but challenging to master which makes tai chi a life-long joy to practice. There is no cost to participate in this member-led activity, but the benefits are priceless!
