## Commodore's Corner

Hey,

I was glad to see the participation of the all hands meeting and with-it positive discussions. The feedback I took out of it were that the members are satisfied with the progress and updates done to the club after Sally.

Unfortunately, storm season is upon us and we all know is what to be done to our property and protection to ourselves. **So please don't wait to the last minute to secure or move your boats to a safe haven.** Word will be put out for such actions so keep updated on the emails that we will put out prior to any potential storms.

I don't want to steal any Board of Governor's thunder so I will let them go in detail of their specific responsibilities and accomplishments that's have been done under their watch.

Take care and be safe,

Bill Burnard  
Commodore-GLYC

## The Vice's Voice

Plenty of excitement coming in September. **Our new Entertainment Chairperson, Kathy Haskins, working with Kathy Renfrow has scheduled a full calendar!**

Huge THANK YOU to all who help GLYC get ready for storms; putting chairs, tables and club fleet in sail locker, etc.

Got a suggestion for specials? Let Tara, Kathy R or myself know. We'll see if we can offer it.

**Don't forget take-out! If you can't join us in person, call 850-607-7569 and place your order** for menu items, as well as specials. By the way, Publix accepts clean Styrofoam containers for recycle in one of the bins out front.

If we should happen to fall short of your expectations, please let me know. Also, any suggestions for improvement are always appreciated.

Friday's will also include the Member Drawing, but you GOTTA BE THERE to win!!

Enjoy your club,  
Bob Matson, Vice Commodore

Hello All,

Wow, another month has passed by! So far we have been fortunate with the weather but the dreadful month of September is now upon us. Hopefully we continue to be. As of this weekend, we have had a couple of practice runs with storm preparation. It has gone well as far as securing the property and for those of you that have boats in the wet slips. It can be a pain to keep moving your boats but we can never be too careful. **Should anyone need help moving their boat, whether in a wet or dry slip, please do not hesitate to call on me.**

There are a few improvements to the property that were completed this past month and a few things are in the works for this month as well. The new concrete walkway leading down to the Dock sure is nice! Thanks to Chris Bonner we have a new playground picked out and on its way. All and all, I believe we have come a long way in a year. As you go around town, you will notice that there are still some houses that have ongoing repairs from last year's storm. For this reason, I think we have done very well considering we are dealing with a much larger project.

It is unbelievable how many new members we are acquiring each month. Many of the new members are coming to bring their boats to the new marina and some are coming with smaller boats for dry storage. Unfortunately, we are on a waiting list for those (what a great challenge to have). **There is a request that I have for those of you that have boats in the marina. It would be appreciated if you would put a nail or some type of stop underneath your dock lines where they are tied around the piling. I have noticed that some of the dock lines are slipping down the pilings and into the water.** These lines being high are not only beneficial to the marina, but to your boat as well. Securing your shore power cable is beneficial as well. I am available to help you do these things if needed.

That is all for now. Thank you all for supporting the club, the board, and the great staff. I always enjoy seeing you all and appreciate the input that is receive from the members.

Best Regards,

Captain Scott A. Walley

## From the Fleet Captain

Hey, Everyone!

I have to admit, it's been pretty HOT sailing lately! But we still get out as often as the wind gods will let us. With that in mind it will be getting cooler soon, and with the fall comes better winds usually. So, September and October are ideal months to learn to sail: cooler air temps, warm water, nice winds. Great time for learning to sail!

The GLYC Sail Team have been in action again, this time in Gulfport, Mississippi! The team consisted of **Mark Heinhold and Pete Buckley on Lasers, and Tony Colabianchi** on Sunfish in the Galloway Regatta. This Regatta is an annual GYA event and was the largest regatta of the year with over 96 sailors competing. So, thanks to Tony, Pete and Mark for representing GLYC in this big race!

The Raft Up was held on August 14, but unfortunately the impending storm kept many boaters away. We still had 4 boat loads show up and a good time was had by all. We will continue to schedule these raft ups in the future and hopefully the weather will be much better next time.

That's all for now, Sail Safe  
Kevin

## CRAPPY CRAFTERS CORNER

Thanks y'all for making our long overdue Biloxi trip a great success. We ended up with several last minute vacancies, so next time, for those that don't sign up, just be there and we'll get you on the bus. The big winners for Bingo were Meg (\$23.00) and Shari (\$23.00). Our 50/50 winner was Diane Downs (\$90.00). We had several big winners at the I.P. too. On our return trip, the Bingo winners were Kelly and Diane (\$8.00 each), Shari (\$16.00), and Meg (\$16.00). Bar maid and bar back, Georgia and Mike did an awesome job, as usual. Dean Hoffman brought her Rum Punch, Marti made the mimosa, and I made the bloody marys. Wanna also thank the ones that brought all the great snacks. On our return trip Norm brought out his home made Limoncello. Wow!! Quite a punch. I can see a future in that stuff. Stay tuned.

Blind painting with Meg on the 12th was quite interesting. Some funny portraits came out of it. Lots of concentrating went on. The finished products were on display. Hope y'all got to see them. We then meandered down to Fisherman's Corner for a very tasty lunch. Another do over, I'm sure.

Next month we'll be doing scrapbooking then lunch.

Our September Birthday girls are Lydia on the 1st, Dee Marie on the 14th, and Sally on the 20th. Party on girls.

Happy Crafting, y'all.

*Kathy Haskins*

What was Radar O'Reilly's favorite drink? Can't remember? the answer is somewhere in this newsletter. Eighteen players on four teams matched wits in August to answer this and nineteen other What, Who, When, and Where questions. In a hotly contested match, only five points out of a possible 27 separated the teams. The Three Blondes came in fourth, 'Nattis took third, Smart Asses came in second, and the West Siders won first place by only one point.

**The next Trivia Night is scheduled for September 16**, so make your plans now to drink and think with your friends, or soon-to-be friends. Cost is only \$10 per team--no limit on team size. The questions start at 6:30, but come early to enjoy Chef Tara's appetizers and dust off your thinking caps with something cold and wet.

**Dean Hoffman looking very happy to be wearing the Bunco Hat.**

Finally!

August saw a pre-pandemic sized turnout! Twenty-seven players participated in August. In honor of the "dog days" of the month, Rover was the ghost player to complete the field. Most Losses were taken by Kathy McCaffrey, Mike Travis, and Rudy Reilly. Joan Ferry had First Bunco and Tracy Sclease took Last Bunco. Ten players had Half and Half wins: Joan Ferry, Tracy Sclease, Allison Strickland, Helena Joyner, Brenda Jackson, Kim Edens, Red Rodger, Stephanie Burgess, Rosie Travis, and Linda Vickers. Most Buncos also had several ties: Tammy Holman, Kelly Walters, Liz Fowler, Helena Joyner, and Trudy Staak. In a night of ties, naturally there was one for Most Buncos. Carolyn Saal and Shari Sparby were the night's biggest winners.

**The next Bunco will be September 2. Registration starts at 6:00, and the fun starts at 6:30.** Cost is only \$10 each for all the action and fun this fast, easy-to-learn game is known for. New members, this is also a great way to get acquainted with your fellow GLYCers in a relaxed, no pressure atmosphere. Just ask any of the people named above!

## Tai Chi

What better way to escape the pressures of daily living than to take in sea breezes and the beauty that surrounds GLYC. Tai Chi provides the perfect opportunity to do just that twice weekly. The group meets under the building every **Tuesday and Thursday at 8:30 a.m.** to practice this ancient form of mindful exercise. The movements are designed to gently flex all your joints and are low stress on the body, but the results are surprisingly relaxing and energizing. These member-led sessions are free and last 30 to 45 minutes. No special equipment is required. Just wear comfortable shoes and clothes that allow easy movement. Beginners are always welcome.
