## Commodore's Corner

I really don't have to much to say, the club is running smoothly and the grounds is being improved. I love the dock and is nice to see the slips being filled. There is a few items that need attention and it's being dealt with. Cooler weather is upon us and hopefully we will have more events down below to enjoy on what we have.

Well take care and be safe.

## The Vice's Voice

Got a suggestion for specials? Let Tara, Kathy R or myself know. We'll see if we can offer it.

We have experienced significant cost increases on food over the last 6 months. Some examples include:

Chicken Breast +18.9%, Shrimp +34.8%, Bacon +27.2%.

We are currently reviewing the menu to minimize the impact on our members.

Don't forget take-out! If you can't join us in person, call 850-607-7569 and place your order for menu items, as well as specials. By the way, Publix accepts clean Styrofoam containers for recycle in one of the bins out front.

If we should happen to fall short of your expectations, please let me know. Also, any suggestions for improvement are always appreciated.

Friday's will also include the Member Drawing, but you GOTTA BE THERE to win!!

Enjoy your club,  
Bob Matson, Vice Commodore

Hello All,

Well the year is ticking away at a rapid pace it seems. So far so good on the Hurricane's. I know that I personally am on edge every September. Seems there have been a great number of people at the club enjoying the beautiful weather on the weekends. I have noticed some boat trailers there. This is great!

Speaking of the boats and trailers, thank you to those that moved their boats as requested in preparation of the improvements to the south parking lot. I know that the few boats left there really had no choice as the trailer parking lot filled quickly. The south lot is looking awesome. We will be able to organize things better now. Not to mention that it will be a much better view from the deck. I am planning on reassigning dry slip numbers. I think we need to do this to gain better access to the dry slips that face south and to the sail locker. If anyone is married to their dry slip then please let me know. There will just be a few that are changed. Primarily this will effect the northern most boats that face the east.

I have said it before, but we are seeing a great number of new members. I email back and forth every week with people coming our way from out of town. Many of these looking for the wet slip or dry storage. As for the dry storage, we are still on a waiting list. This list is growing. The west wet slips look as they will be spoken for real soon. People are seeing the lifts that those of you have installed. This tends to be the thing. Unfortunately for them, they should have been here earlier to be able to get lifts when you guys did. I am searching for more contractors that may assist with the lifts. If anyone comes across something, then please share the info. I know of plenty of contractors. Of course they are all backed up. The ones that can get to us sooner do not do the pilings. This is the issue. We have had several inquiries about the east slips from the bigger boat owners.

Well that's about all I got. Except, of course, thank you club staff for always doing a great job and continuing to make things awesome. I have heard of some fun things that will be returning. This is exciting and sounds like a blast. The new items on the specials menu have been outstanding! I am headed out for a pretty long trip this week but certainly am looking forward to visiting with members when I return. This should be a great month at the club.

Best Regards,

## From the Fleet Captain

Hey, Everyone!

I was a little pre-mature last month with my prediction that the winds would be better in September for sailing – actually with all the storms and such, it was pretty bad! So, it can only get better in October! And we have some really good news! Your Board authorized us to purchase a Laser sailboat to go along with our small fleet of Sunfish, and we picked up a nice one! The Laser is a go-fast version of the Sunfish, so we're pretty excited to have it. If you're learning to sail, we recommend you start out on the Sunfish, they're a little more forgiving but still very fun. Once you get comfortable with the Sunfish, then let us know and we'll check you out on the Laser. The Laser comes with two different sail plans, a smaller version called a radial sail is for folks that are just learning or are lighter in weight. The full-size sail is quite fun and very sporty! So, we meet on every Wednesday afternoon and we'll be happy to check you out on our boats and give you any instruction you may need!

Congratulations go out to our GLYC sail RACING team for taking 1st and 2nd in the Wadewitz Regatta the last weekend in September. Pete Buckley took first and Mark Heinhold took second in a regatta against 3 other yacht clubs. Soooo, if you see these guys tell them congrats but don't lay it on too thick, we still have several more races this fall and we don't want them getting too cocky! Congrats to both guys, Nice Job!

That's all for now, Sail Safe  
Kevin

## ENTERTAINMENT STUFF

My first article as the Entertainment Chairperson and I'm excited about the direction it's going. What a fun time I'm having working with Kathy Renfrow and Georgia. Didn't realize how much I've missed working on the entertainment. My first official gig back was Vic Peavy on the 10th. He does an amazing job. Our 50's/60's theme with Platinum Premier on the 24th was a huge hit. We've started doing door prizes throughout the evening to keep our members entertained. At the party we had Hula Hoops, ball in cups, and lots of door prizes. (Joan Ferry won the official door prize). Of Course it takes all the members to make my job easier. Thanks, too, for putting up with my antics on the 50/50. Hey, it's working

**October 1st we have Ray Coley** back after a long time. If you haven't heard him, he's really great.

**On the 15th, we're having our October Fest** with a "Tribute to Ute" (Knowlton). She has been an asset to our club for many years. She's a past Commodore, and led us in October Fest parties many, many times. Please don't miss it. Don will be our "Special Guest". More details to follow on this one. Find your German attire and practice up on your beer drinking. There'll be games and lots of door prizes.

Our **Adult Halloween Party on the 29th** we'll be entertained by Vic Peavy. How about a costume contest, more games, and lots of door prizes.

Again, thanks in advance to y'all for making my job easier.

Yo Entertainment person,  
*Kathy Haskins*

## CRAPPY CRAFTERS CORNER

Scrap booking with Lydia on the 9th was a lot of fun and educational. I've always had scrap books, but the old timey ones. The new scrapbooking was quite fun and gave me some new ideas. Thanks, Lydia for your time and patience. After cleaning up our mess, a lot of us went to Sunset Grill for lunch. We always seem to have a good time and lots of laughs where ever we go and whatever we do.

October 14th is our Dolphin Cruise out of Southwind (a real dolphin boat, Joan). I've heard from several people that it's really a lot of fun. They saw lots of dolphins. It's \$18.00 a person and the cruise lasts an hour to an hour and a half. I'll get Cheri to send out all the details closer to the date. We need a list of who all is going. There's a \$10.00 cooler fee, so if enough of us drink Pino Grigio, we can fill a cooler, and I've got some wine sippy cups. Soooo, let's get a list.

Our October Birthday girls are Rose on the 11th, Carolyn on the 13th, Dean on the 14th, Kathy Mc on the 22nd, and Lee on the 24th.  
Party on girls. Don't forget your pompoms and hair bling, Rose.

Another reminder about the **Biloxi bus on the 9th of November**. Georgia has the sign up sheet. \$20.00 a person with \$20.00 in freeplay.  
It's a win/win.

Happy Crafting, y'all.

*Kathy Haskins*

### Save the Date

**We are having a meet and Greet for new GLYC members to meet existing GLYC members on November 7th in the afternoon.**

# TRIVIA

What word is derived from the ancient European custom of drinking mead as an aphrodisiac during the first month of marriage? Find the answer hidden somewhere in this issue of the Lines. Five teams made up of eighteen players matched wits to see who could pull up the most answers from their memory banks to twenty interesting and entertaining questions. One team, Paradise, had to leave at half-time and were disqualified. Hopefully, they will be back when they can stay longer. Although the 'Nattis were first to answer the featured question, they ended up in last place. Despite a really strong second half, the West Siders took third place. The very competitive Smart Asses took second place and lost by only one point to first-place BABS and Bob. The B&B were behind the Smart Asses by two points after nineteen questions but won on their strength in the final catch-up question. Next chance to challenge these smarty-pants with your knowledge of trivia is **Thursday, October 21. Cost is only \$10 per team**, no limit on team size. Bring your friends or join a friendly group for an evening of fun and entertaining GLYC Trivia. **The questions start at 6:30**, but the fun starts when you get there!

*Brenda Jackson won for the most Buncos!*

September's Bunco crowd had twenty players show up for the game and to help celebrate Mike Haskin's birthday (the cupcakes were delicious). Claudia Thompson carded Most Losses while Kathy and Mike Haskins shared Half and Half prizes with Shari Sparby. First Bunco was taken by Rudy Reilly and Last by new-comer, Pam Blaine. Rudy also took Second Place along with Liz Fowler, CJ Bordelan, and Allison Strickland. Brenda Jackson carded Most Buncos, but Most Wins went to the aforementioned Pam Blaine. Mark your calendars for **October 7th** for this month's event. Bunco is a fun, fast, easy to learn game that is the perfect way to get to know your fellow members. **Cost is only \$10 each. Registration starts at 6:00 and the fun at 6:30.**

Come earlier to enjoy Tara's Thursday appetizer special and some cold, refreshing beverages.

# Tai Chi

Isn't this autumn weather great? And there's no better way to say "good morning" to the rest of your day than with a 30-45 minute session of tai chi. This form of meditative exercise will both relax and energize you for completing your "to-do" list. The sessions gently stretch and flex your muscles and joints in ways that are easy on your tired, arthritic body while at the same time, improve memory and mood. Sessions are at **8:30 every Tuesday and Thursday morning**, rain or shine. No special clothes or equipment is required. No charge for the member-led sessions, but the results are priceless!
