## Commodore's Corner

June was a hectic month for the club hosting a Perdido Key Chamber networking event, a large celebration of life, and the four days of the 51st Annual Hargreaves Fishing Rodeo. A busy and vibrant club is a significant piece of the puzzle required to maintain a stable and financially healthy club during potentially challenging economic times. Further, community engagement is a great way to get the club's name out there and let people know what we're all about. The income generated from private events offsets operational costs and keeps our staff busy during what is generally otherwise slow periods.

I also want to highlight some important upcoming events while we enjoy our summer activities. Thursday, July 28th, is our mid-year all-hands meeting. This meeting is our opportunity to discuss the club's status as a group. In a few more months, the club will start the election process for 2023. Being active on the Board of Governors is a great way to contribute to the club's success.

See you at our club!

Steve Payne, Commodore

## The Vice's Voice

HUGE Congrats to all who made the Hargreaves so successful!! There are still t-shirts and hats left for purchase.

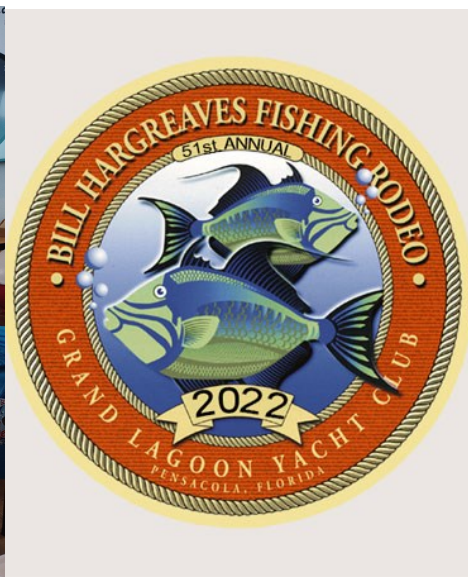

Got a suggestion for specials? Let Tara, Kathy R or myself know. We'll see if we can offer it.

Don't forget take-out! If you can't join us in person, call 850-607-7569 and place your order for menu items, as well as specials. By the way, Publix accepts clean Styrofoam containers for recycle in one of the bins out front.

If we should happen to fall short of your expectations, please let me know. Also, any suggestions for improvement are always appreciated.

Friday's will also include the Member Drawing, but you **GOTTA BE THERE** to win!

Enjoy your club,  
Bob Matson, Vice Commodore

## **From the Rear Commodore**

Hello All,

I hope everyone is faring fine with the recent extreme temperatures. It's hard to believe that we have passed the mid year point already. It is the time of the year that we start watching the tropics. Fingers crossed everyone for the next few months.

Thank you and congratulations to the crew that worked so hard to make the 51st Annual Hargreaves Tournament a great success. Their were some amazing fish weighed in. We now are all looking forward to another great fireworks event on July 3.

As you can see, the Marina is starting to fill up. The west side is full with the exception of one slip that does not have power. Remember, we can achieve enough power supply to this slip to support a battery charger.

The east side we have seven slips remaining. As far as the dry slips we are down to a waiting list of three.

A few things have been brought to my attention concerning the docks and property. These things are now in the works of being improved. Thank you forwarded observing things and for recommendations.

Well, that's about it for me. I am hoping to see everyone at the fireworks show this Sunday. As always, many thanks to the staff for always exceeding expectations. Please call on me if I can be of any assistance.

Kind Regards,

Captain Scott A. Walley  
Rear Commodore GLYC

## From the Fleet Captain

Hey, everyone! Well, the sailing winds have dropped off a bit, and I'm afraid we're in the summer doldrums – but there is still plenty of good sailing out there! Just gotta pick your days carefully! While on that topic, we had a very successful Adult Sail Day a couple months back. If there is interest in holding another one, on a Saturday, please let me know so I can set it up!

Sail Camp is kicking off on July 5 thru 8, from 9 AM to 2 PM. We have a great bunch of volunteer instructors, but if you're interested in helping out please come on down and we'll put you into the mix somewhere! There is always room for new blood in our sailing ranks and we welcome you. On that same vein, we still some room in the Sail Camp for kids to sign up, please let me know or show up on Tuesday before 9 AM and we'll get them started.

Last year we tried several times to host a Raft Up in Grand Lagoon. Mother Nature had other ideas and we had to cancel 3 times before we pulled it off. Well, we're going to try again, sometime around the end of July or first couple weeks in August. We do it differently than other Yacht Clubs, we invite anything that floats, power or sailing boats. We'll only be going across the Lagoon, and will only be one day over lunch. We'll put out a lot more information on the Raft Up very shortly after Sail Camp is over!

Sail Safe!

Kevin

## ENTERTAINMENT STUFF

What an amazing month June turned out to be. Bunco on the 2nd, Ronnie Levine on the 3rd, Vic and the Girls were back on the 10th, (and the Club was packed). Then the 16th thru the 19th (Father's Day) was our 51st Bill Hargreaves Fishing Rodeo. Spectacular!

In such a short time, we pulled it together and made it happen. Steve Payne and Kathy Renfrow are such fun to work with. Thanks, too, to all the volunteers that jumped in to help. The Captain's meeting on Thursday, Patty, Debbie, and Marti sold tickets, with Roberta and Lydia manning the Tshirts and Hats. Friday and Saturday at the weigh ins, Shirts, hats, and tickets were sold and Roberta led the group. She was amazing and a great asset. Sunday got a little flukey but it got straightened out once Roberta got there. Sunday, Patty sold 50/50 tickets (an awesome job, Ma'am). Our servers were Mike, Kim, Debbie, and me, with Dean collecting tickets. Our parking attendants were Mike, Kim (he wore several hats that day), and Mason Rhoden (our grandson). Keely (our granddaughter) was the Life Guard keeping the kids safe on the water slide. She had the "coolest" job. Can't name everybody but thanks to everybody that pitched in. Jim Phillips did awesome on the t-shirts, hats, and banners. He even came up with some additional shirts on Sunday. Just about sold out. Again, thanks Jim. The whole thing was a tremendous success and we're already looking forward to next year. A little earlier start this time.

We had Stephanie Stout on the 24th to round out the month.

Our 4th of July bash (on the 3rd Sunday) is from 6 til 9 with Vic and the Girls handling Karaoke and our ever-so-famous Anthony Sclease putting on another spectacular Fire Works Show. Don't miss it. I'm sure we'll have a big crowd as always. Maybe bring your chairs to sit down stairs. (oh that rhymed) Bunco on the 7th followed by Norm on the 8th, Vic and the Girls back on the 15th, Ray Coley on the 22nd, then to round out the month, Vic and the Girls back on the 29th. Phew!! Got 'er done.

Yo Entertainment person,  
*Kathy Haskins*

## CRAPPY CRAFTERS CORNER

Thanks to our gathering last month while we folded and stuffed napkins for our 51st Annual Bill Hargreaves Fishing Rodeo fish fry. We also had lots of Crappy Crafters show up to volunteer. It was another spectacular day.

Our July gathering is another annual event: Dirty Santa. More fun with lots of fun gifts and a great meal served up by Tara and her gang.

Our Birthday girls in July are Jeanne on the 8th, and Cheri on the 10th. Hard to believe they're only 2 days apart. What great women. Party on girls. The month is yours.

Happy Crafting y'all,  
*Kathy Haskins*

**JOIN US FOR THE  
ALL HANDS' MEETING  
ON AUGUST 28, 2022  
at 6:30 p.m.**

When Dan White killed Harvey Milk in 1978, his lawyer mounted a diminished capacity defense due to blood sugar issues brought on by Mr. White's excessive consumption of which of these Hostess snack cakes: Ding Dongs, Ho-Hos, or Twinkies? The answer is somewhere in this issue

of the Lagoon Lines, but you really have to search for it because the editor is getting sneakier each month with placement. It's almost like playing "Where's Waldo?", GLYC style.

Six teams and thirty-eight players tackled that question and nineteen other fun posers during June's Trivia Night. The Southwind Mafia brought up the caboose followed closely by the newest team, the Back Krakens. The Ringers finished only one point out of the money. The Skippers came in Third. The BABS gave a strong performance, but they came in a single point behind First Place winners, West Side Gang. **The next Trivia Night is scheduled for Thursday, July 21. Cost is only \$10 per team, no limit on team size.** The more , the merrier. The fun starts when you get here, but the questions start at 6:30. Come

Twenty lively people came out for June's Bunco Night, so no ghosts were needed to round out the field. Most Losses went to Bill Mayo which is no surprise, given that he carded three snake-eyes. That might be a record. First Bunco was thrown by new-comer, Mike Angelopoulos and Last Bunco by Kathy Haskins. Half and Half winners were Dean Hoffman, Kim Sweitzer, Red Rodgers, and Shari Sparby. Third Place was

shared by Debbie Buckley and Larry Staak. Larry also had the Most Buncos. Kathy McCaffrey won Second Place and Joan Ferry had the Most Wins.

Next Bunco Night is scheduled for **Thursday, July 7**. Plan to attend and bring your friends. Don't know how to play? It's simple enough that a child can easily learn how but more fun than an Irish wake. Cost is only \$10 per player. Registration starts at 6:00 and the games at 6:30. Come early for libations and Chef Tara's Thursday night specials.

## Tai Chi

Tai Chi is a form of meditative exercise which has been practiced for hundreds of years to improve balance, strength, agility, and memory. GLYC's version is easy to learn and is designed to help with arthritis, as well as other muscular-skeletal issues. The group meets twice weekly on **Tuesdays and Thursday mornings at 8:30** and lasts about 30 minutes. Beginners and new-comers are welcome. Just come a little early to get acquainted with the group and pick up a few tips to help start you off on the right foot. There is no charge for these member-led sessions, but the results are priceless!
