The Commodore's Corner

We had a nice turnout for the 02/18/23 work day. Thanks to all that helped install new back stairs handrails Stan Kocel worked hard to fabricate. Scott Walley and his mates put firehose on the pilings in the launch area. Also, the crew that lined out the front parking lot did a great job.

Speaking of the parking lot, please make sure your vehicle is **INSIDE** the lines. Thanks in advance.

We strive to maintain a positive, friendly atmosphere at GLYC. Kathy Renfrow, Tara and the staff continue to remind each other that courtesy and professionalism is the norm we expect. I appreciate the members that treat the staff with the same courtesy and respect. Again, thanks in advance.

Enjoy your club,
Bob Matson, 2023 Commodore

The Vice's Voice

For those that participated in the club survey, thank you. This information will be considered when deciding menu items, dinner specials, and club events.

We had a work day in February, which included tidying up things on the beach and replacing the handrails on the rear steps. In the near future, we will paint our sign and add to the millings in the back parking lot. We are also looking into replacing some of our older and less efficient equipment in the kitchen and placing an AED (and obtaining training for those interested) in the club.

Again this month, I'd like to remind everyone of the club's different communication methods with our members. In addition to this monthly newsletter, a weekly email, now with even more information, is sent generally on Mondays regarding weekly specials and events. If you are not receiving these emails, let us know. Monthly calendars are posted around the club, our website is at grandlagoonyachtclub.com, and our private Facebook group is Grand Lagoon Yacht Club.

Enjoy your club,
Steve Payne, 2023 Vice Commodore

Hello All. Well let's start out by thanking everyone who was able to show up for the recent work day. It was a huge success. The weather turned out beautiful after a crisp morning. It is always a pleasure to spend that time visiting with friends.

We are coming into the busy season on the water along with the spring winds. It is recommended that the owners of the boats in the wet slips that are not on a lift, to pay attention to how their boats are tied up. It can get challenging out there in the spring and summer months. If you feel that you need assistance on tying up properly, then please reach out. There are several seasoned members that can consult and assist you.

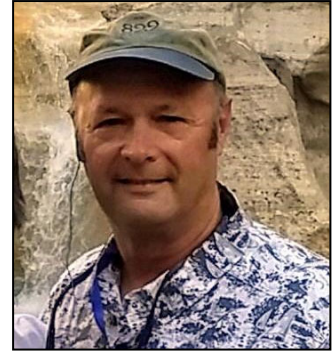

At the moment there are 5 members on the waiting list for dry slips. As far as wet slips we currently have 7 slips available on the east side and one on the west side. The one on the west side does not have power. Power can be added for small things like a battery charger.

Well that's about it. Please contact myself or any of the board for any suggestions or concerns. We are always happy to help. Thanks to the staff for keeping life great at GLYC.

From the Fleet Captain

Hey, everyone! Last month we talked about the rough start with the damage to several of our boats from the January "Wind Event"! Well, things have been moving along and I'm glad to report that we have all the parts to repair the Hobie Getaway, but we're still waiting on a new mast for the Capri 16.5. We believe that is on the way, so we should be fully operational with all our boats in the very near future.

Which is a good thing since Wednesday afternoon sailing starts in earnest on March 15! For the new members, Wednesday afternoon sailing is open to all members and is essentially free-sailing time. We all show up about 3:30 PM and start rigging a variety of boats depending on the weather conditions, and then we sail until just before dark. Everyone is invited and if you're new to sailing we'll be happy to show you how to rig the boats, and then how to sail them. All are welcome. Just plan on getting wet (yea it's still a little cold, but not too bad!) And please wear some type of water shoe, there is still quite a bit of storm debris on the beach and in the shallow water. We have plenty of life jackets available if you want to join us!

While sailing instruction is available every Wednesday afternoon, we are planning a Saturday "Adult Sail Camp" again in April, full details will be available very soon. And we're still working out the details for Kids Sail Camp, but it will be held either in the first or second week of July this year. So plan on that with your kids and grandkids, it's a great time

Sail Safe!

Kevin

ENTERTAINMENT STUFF

February was quite busy. After a good night at Bunco on the 2nd, Stephanie came thru again with her entourage and amazing talent, then on the 10th, Rusty brought his swagger and wowed the crowd for our Valentine Party. The rosebuds were a special touch.

The Chili cook off on the 12th turned out quite the crowd. Congratulations to the winners.

Our Mardi Gras party on the 17th, with TBird and the Fat Cats was awesome. So many different outfits and the Mardi Bras and Flip flops topped off the decorations.

On the 24th, Platinum Premier played to a packed house. They always bring the crowd in. They did some old country, old rock and roll, and everything in between. Hopefully, they'll be back soon. It's been a while since they played.

Patrick, with Boogie, Inc, is back on the 3rd of March, right after Bunco on the 2nd, then Vic and the Girls will be back on the 17th.

Yo Entertainment person,
Kathy Haskins

CRAPPY CRAFTERS CORNER

February started out rough, with us losing a dear friend, Pat Mickelson. Blessed for the time we had with her. Our February gathering, on the 9th, we made rose buds out of Hershey kisses for our Valentine party with Rusty on the 10th. After making rosebuds, we went to Kyoto's for lunch. Always a lot of fun. Our chef was awesome.

Our decorated mardi bras and flip flops had a good showing at our Mardi Gras party on the 17th.

March is another fun month with our carpooling to McGuire's on the 9th.

Birthday girls for March are Georgia on the 3rd, Hanna Adams (miss you my friend), and Donna Wade on the 22nd.

Happy Crafting, y'all,
Kathy Haskins

What animal is the Chinese zodiac symbol for 2023 lunar year? This along with nineteen other questions gave the 39 players on seven teams plenty to think about. You'll find the answer to the feature question hidden somewhere else in this newsletter. Look carefully. Your newsletter editor has been pretty tricky in her placement of answers.

The Ringers brought up the rear behind the 'Nattis and West Enders, both of which stumbled on the final question and ended tied for fifth. Third was also a tie between BABS and the Rewinds. Second was earned by a new team aptly named Newbies. The Skippers led all the way to come in First. Next Trivia Night will be **March 16**. The fun starts when you get here, and the questions at 6:30. Bring a team or join up with one of the others. Cost is only \$10 per team, no limit on team size. Come early enough to enjoy something off Chef Tara's menu.

February had another good-sized crowd roll the Bunco dice. Thirty-one players signed up for Bunco fun. King Cake rounded out the field. Most Losses was earned by Bob Hetrick, First Bunco by Red Rodgers and Last by Debbie Norton. Six players went Half and half: Margaret West, Kathy Haskins, Julia Pierce, Trudy Staak, Larry Staak, and Patti Huismann. Kathy McCaffrey and Katty Robinson shared Third Place, and David Jolly came in Second. Four players tied for Most Buncos: Kathy McCaffrey, Red Rodgers, Joe West, and Deb Schreider. Top Dog with Most Wins was Countess Guiles who won 15 out of 18 rounds.

Join your friends at GLYC on **March 2** for another fun evening of fast, easy-to-learn Bunco. Cost is only \$10 per player, registration starts at 6:00, and the action at 6:30. this is a great way to meet new people in a fun and exciting atmosphere. Come early for dinner and lizuid refreshments.

Tai Chi

Motion is lotion, rest is rust. Get your creaky joints and sore muscles moving with easy, relaxing GLYC Tai Chi.

The twice weekly sessions are held every Tuesday and Thursday mornings, rain or shine, beginning at 8:30 and last only 30 minutes. It's a great way to start your day. No special equipment is needed, just dress for the weather. The routines are easy to learn but challenging enough to keep you interested. These member-led sessions are free, but the results are priceless. Newcomers are always welcome.

Every Friday night, the Club has a Members Drawing, where a member's number is drawn and the number drawn wins a club credit toward their account. But you must be present to win. The \$\$ Amount keeps going up when the member whose number is drawn is not present.

Also, every Friday night, we also have a 50/50 drawing, where the Club and winner split the pot.

Congratulations
