The Commodore's Corner

Beginning this past Spring, fees for name tags are included in the membership fee of \$800.

Jeannie Williams has begun ordering the member name tags. A Batch for recent new members are hanging on the South bulletin board.

Thanks to Jeannie for the help.

Fortunately, the recent hurricane missed our area. All slip lessees should have an evacuation plan and designate someone to implement removing your boat from the dock in case this needs to be implemented. The Commodore, Vice Commodore, Rear Commodore and Fleet Captain will continue to monitor the weather through the season and notify members via email. Please make sure the club has your current email.

If you have moved, please update your address, and if necessary, phone number and email address with the office. Thank You.

Enjoy Your Club!

Bob Matson, 2023 Commodore

The Vice's Voice

Hurricane Idalia was an excellent warm-up reminder for the 2023 hurricane season. Given our exposure to the Gulf of Mexico, we all need to be prepared and vigilant for the remaining months of the season. Boat owners in wet and dry slips must have plans (in-town & out-of-town) to move their vessels. Volunteers will be needed and welcomed to help button up the club.

Here are a few website links that I would like to bring to your attention.

South parking lot work, in phases, to add 200 tons of millings, and regrading will begin in early October.

In addition to the club acquiring an AED (automated external defibrillator, used to help those experiencing sudden cardiac arrest), we are also keeping Narcan (naloxone) in its first aid kit. If you are unfamiliar with Narcan, there is quite a bit of valuable information on the internet.

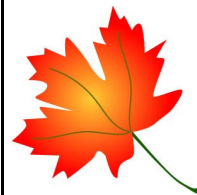

For those paying your monthly bills with credit cards, please proactively provide the club with new card numbers or updated expiration dates when they change.

From the Rear Commodore

Hello All,

Well we had our first scare in the height of the hurricane season. Thank you all in the Marina for cooperating when we thought that we might have to evacuate. Also thanks to the many that contacted me about helping to prepare at the club. Fortunately it was just a Drill. It is still recommended that boat owners double up on lines this time of year along with having them long enough to allow for higher tides. Also, I guess this was just another reminder to keep your boats and trailer boats mobile.

We were able to clear one name from the dry storage list. We still have several on there. The marina has 5 slips available on the east side along with the Transient slips. We have had a few people leaving their trailers in the trailer parking lot for extended time periods. This has hindered other members in having a spot to park their trailer after launching. Just a reminder to please let the club know when you need to leave a trailer there for a few days. And please park it as far north as possible.

Well that's it for me. I am hoping that everyone has a great and safe Labor Day Weekend. Probably see many of you at the club. Thanks to the wonderful staff for always making it great! And as always, please call on me if I can ever be of any assistance.

Kind Regards,
Captain Scott A. Walley
Rear Commodore GLYC

From the Fleet Captain

Hey, everyone! Sailing has been great lately! Yea, I know it's been hot. But once you're out on the water, it cools right down, and the wind and water make it very pleasant. Can't beat a nice sail in the Lagoon to let you forget your troubles and put a smile on your face. If you want to get out, just come on out any Wednesday afternoon and get on the water, and smiling, right away. Please wear appropriate clothes that you don't mind getting wet!

Congrats to our sailing team, Pete Buckly and Mark Heinhold carried the GLYC burgee to Gulfport, MS for the GYA summer championships. Both our sailors took 3rd place, Pete in the Laser and Mark in the Sunfish. Congrats to both these guys!

As you probably heard, GLYC will be hosting the 2023 Gulf Coast Region Sunfish Championship on September 23rd and 24th! We're looking forward to this, GLYC hasn't hosted a Regatta in many years. But, we hope to make this a habit! This is a Sunfish World Qualifier race, and we expect some excellent competition. In fact, we already have one racer signed up who has been World Champion in the Sunfish, EIGHT TIMES! Yea, this dude knows how to sail! We still have the volunteer sign-up sheet in the bar area, if you'd like to join us we will need help at the Club on Friday through Sunday, and we'll need boat crews on the water both Saturday and Sunday. We are holding a planning/organizational meeting for all volunteers on September 7th, at 6PM at the Club. If you want to be on one of the boat crews, we'll be holding a classroom training session on Thursday, September 14 at 6 PM at the Club. We will also be holding an on-the-water training session for all the boat crews on Sunday, September 17 at 1 PM at the Club. We're very excited about this Regatta (as you can probably tell), and look forward to seeing the competitors on the water and our members on the dock and patio watching the racing. If you have any questions about the Regatta please give me a call any time.

That's all for now!

Sail Safe!

Kevin

ENTERTAINMENT STUFF

August was quite busy starting with Bunco on the 3rd followed by a couple of new acts mixed in with our usuals. John Henry on the 4th, the Pale Moon Productions on the 11th. Both turned out to hits. Vic and the Girls on the 18th brought in a big crowd followed by T Bird and the Fat Cats. They kept the club full the whole night with lots of dancing.

September is gonna be quite busy, too. Starting with Norm on the Piano on the 1st, Platinum Premier, back by popular demand on the 8th, followed by T Bird and the Fat Cats back on the 15th. No Entertainment on the 22nd, due to a Sunfish Sailing Regatta the weekend of the 23rd.

There's a few seats left on the Biloxi Bus the 26th. Check with Georgia. Only \$30.00 will get you \$20.00 in free play, a seat on the bus with lots of drnks, and partying all the way.

Again, I wanna thank Allyson for all you've done. When Patty gets back on the 15th (she's bringing Kim, too, and his dancing antics) SHE'S gonna be kept busy. Brush up on your dance moves, Mr. Sweitzer!!!

Planning ahead, we're gonna have October Fest on the 13th, our Tribute to UTE KNOWLTON, with music by Platinum Premier. Misty had to rearrange her schedule just for us. She said they were honored to be part of this. Make plans to be there.

CRAPPY CRAFTERS CORNER

In August, we switched things up. Game day on the 10th, instead of crafts. Good fun!! Then Cobalts for lunch. Our little group is growing with a lot of new and fun ideas.

Our September gathering is gonna be another adventure and on Friday instead of Thursday. We're gonna ride the Ferry boat (not Joan) over to Pensacola Beach and go to lunch. Then before we know it, the holidays will be here. Wow, time flies when you're having fun. Let's keep the fun times coming.

Happy Crafting y'all,

What is added to fried country ham drippings to make red-eye gravy? You can find the answer somewhere hidden in this issue of the Lagoon Lines. The featured question along with nineteen others were posed to the record-setting 55 players and eight teams who came out for the August Trivia Night. Because of their epic struggles with the last question, the Deplorables and the 'Nattis came in seventh and eighth, respectively. The 6 Shooters came in sixth, while the BABS and Skippers tied for fourth. West Siders took third and the Ringers came in second. The top winners by only one point were the Rewinds.

The format is twenty questions, nine of which are multiple choice, and nine you know it or you don't. Question 10 and 20 have multiple point values which allows every team to have a chance right up to the end. Bring your team or join one of the others for the next scheduled Trivia Night on **September 21st**. Let's make it another record-breaking night! Cost is only \$10 per team, no limit on team size. Registration starts at 6:00 and the questions at 6:30. Come early for dinner, drinking and thinking.

A small but raucous group came out for the August Bunco event. Eighteen players, along with "dog days" ghosts Big Dog and Good Doggie, vied for victory, Most Losses went to Connie Hancock, First Bunco to Kathy McCaffrey and Last bunco to Red Rodgers. Margaret West was the sole Half and Half winner. Third Place was shared by Sue Reilly, Helena Joyner, and Rita Brown. Second Place was split between Steve Joyner and Katy Robinson. The biggest winner of the evening was Countess Guiles who won both Most Buncos and Most Wins.

A scheduled event has pushed September's Bunco back a week to September 14. Mark your calendars now so you'll remember to join us then for more Bunco fun. The cost is only \$10 per person to play this fast, easy to learn, fun to play game. This is also a great way for our newest members to meet your fellow GLYCers. Registration starts at 6:00, and the fun at 6:30. Come early to enjoy something off Chef Tara's awesome menu.

Reminder - \$75 Minimum Quarterly Fee for Bar/Galley

Please be aware that the Grand Lagoon Yacht Club imposes a \$75 minimum quarterly fee for the bar/galley. This means that each "member number" must spend a minimum of \$75 every three months for this fee to be waived.

Example: A member spends \$50 over three months on either bar or galley but has not met the quarterly minimum of \$75. This member will be assessed the \$25 minimum monthly fee on their next invoice.

Tai Chi has been described as tranquility in motion. It's an exercise doesn't make the pulse pound, sweat pour or muscles ache but still produces many of the same stress reducing physiological results of much more strenuous activities. GLYC offers member-led, **twice weekly sessions every Tuesday and Thursday morning at 8:30**. Sessions last 30 minutes and do not require any special equipment. They are held outside under the Club house, rain or shine, so be sure to dress for the weather. The exercises are suitable for all ages but are especially designed for those of us with balance and mobility issues. The sessions are free but the results are priceless.
