MEMBER DRAWING IS NOW AT \$250

Every Friday by 7:45pm, we draw one member number. If that member is present in the clubhouse or patio, they will win the pot as a credit on their account. If the member is not present, the pot will rollover to the following week. The pot will continue to rollover until we have a winner!

FROM THE COMMODORE

This is the month we officially kick off the summer season. The dock is alive with boaters launching their boats and enjoying the warmer waters. During this busy season we have a lot of people going and coming on the docks. Please make yourself aware of all the dock rules. Be diligent in maintaining safety regulations and, at all times, show courtesy to our fellow members and their guests.

The long awaited Bill Hargreaves Fishing Rodeo (BHFR) will take place this month on Father's Day weekend. Plans and preparations are still underway to prepare for what we hope will be a large group of boys and girls and adults taking part in this 3-day event. If you haven't already, please volunteer your services on that weekend or sign up to sponsor a fish category (sheet is posted in the Club).

If you haven't noticed, take a look at the downstairs area under the club. We had a great group of volunteers to undertake the clean-up and painting of that area. Although there are a few other things planned to do down there, it is looking very nice and ready for planned activities and member gatherings. A big thank

Terry Smith

you to the House Committee led by Laura and Bob, the Crafty Crafters led by Kim Edens and all the rest of you who worked so hard to make this happen.

It has been suggested that we give this area a name (instead of calling it the "downstairs"). Therefore, we have decided to have a contest among our members to come up with a good name. The member with the winning name will be awarded a prize. So, be thinking about a name you would like to suggest and stay tuned for more details on how you can participate.

A personal thank you to Kathy Renfrow, Operations Manager, for her assistance and the extra time and effort she puts in on scheduling non-member events and meetings. These events generate additional income for our club.

Wishing all our father's a wonderful Father's Day.

See you all at the club!

Dock Rules We All Need to Know

Whether you have a boat docked in a wet or dry slip - there are dock rules that all members should be aware of and follow:

REMEMBER...

- Vehicles parked behind the Club must fit inside the yellow parking to allow for members to launch their boat safely.
- No parking allowed in dry/trailer storage.
- Children under 6 are not allowed on the dock without a life vest or an adult or guardian (16)+ years old who can swim.
- No running, swimming or diving from the dock.
- Diving from the swim platform is not permitted.
- Birds are not to be fed within the Club premises (including the dock).
- Fish cleaning is allowed at designated area on the south end of the main dock.
- Bait, fish, food, dog waste, etc. needs to be sealed in a plastic trash bag and disposed of in the Club's main trash receptacle in North Parking Lot.
- Pets must be short-leashed when on the dock/GLYC property and owners are responsible for cleaning up after their pets.

A complete list of Dock Rules are posted on the bulletin board for review or you can click [HERE](#) for a pdf copy. Violations of Dock Rules should be brought to the attention of the Rear Commodore (Scott Walley) or any GLYC Flag Officer who is on site.

Crappy Crafters are still in need of items to be used for creating baskets to be raffled off at the Bill Hargreaves Fishing Rodeo!

MESSAGE FROM THE REAR COMMODORE

CAPTAIN SCOTT WALLEY

Hello All,

Hope all are well. First off, a huge thank you to the volunteers that did the wonderful landscaping job and the work in the lower area with the painting of the columns, the walls and the tables. We will plan to have a clean up day the week before the Hargreaves Rodeo.

Wow, what a busy Memorial Day weekend we had at the club. Along with this came some craziness. As mentioned before, please remember to be mindful of the boat ramp area on land and in the water. We had some people holding up both. Also please be mindful of the trailer parking area. We had people leaving their trucks hooked to their trailer and blocking other dry stored boats. These type of actions are very disrespectful to the club and its members. Remember we have very limited space. Parking is to be treated as a first come first serve basis just as any other boat launch. Unfortunately if there are no trailer parking spots left, then people have to make another plan.

As for the the dry storage area, we still have a waiting list of 5 people. As for the wet slips, we have a waiting list of two for the west side. We only have two slips available on the east side. We do have the three transient slips available. As some know, we recently have had reports of very low water pressure on the dock. This has proven to be a temporary thing. We are thinking it may be happening while the sprinklers are running. We will investigate further.

We recently had some requests to put dock boxes on the main dock. Unfortunately we do not have the space for this on the dock. However, in the next few weeks to come, we plan to clear the area on the south side of the sail locker and make an area for dock boxes. Hopefully this will be helpful to those that have boats in the marina.

Well that's about it for me. Thanks to the wonderful staff that work so hard to take care of us. As always feel free to call on me if I can be of any assistance to anyone.

REPORT FROM THE FLEET CAPTAIN

Tom Wagner

May has been quite the month at the club for sailing and racing.

Wednesday afternoons have been well attended and at times a little too much wind! Mark Heinold and crew Pete Buckley and Tom Wagner took 2nd place in the Catalina 22 Regionals in Nashville, providing a light air tune up for the National Championship in Detroit in early June.

Sail Camp (July 1-3) is shaping up with 20 registrants. If you have expressed interest and not turned in your paperwork - please do so BEFORE the deadline so we can plan to have the appropriate number of sail instructors. For safety and liability reasons, we are not able to accept late/same-day registrations.

Our hosting of the Sunfish Gulf Coast Regionals is on course for September 21st -22nd thanks to Kevin Marshall.

I will be hosting a "Fleet Meeting" Thursday, May 30 at 7:00pm at the club. All members interested in our sailing program are welcome to attend. We will be discussing racing and club events.

Thanks to the club for all the great support! (especially all those who helped me get my boat back on the water!)

Camp Registration Deadline is June 16th!

*Late registrations will not be accepted

GLYC Social Scene

Kathy Haskins

May just flew by. I think we missed Spring. With so much going on at the Club now and all our new members, this summer is gonna be full! Friday nights have been extremely busy too.

I'd like to thank Kim Edens for her amazing Fund Raising Bingo game day on the 18th. The Club was packed. Great job, Girl! A lot of hard work went into that.

June is looking mighty promising, too. First we have T-Bird and the Fat

Cats on the 7th, followed by Rhoda and the Luau on the 8th. It was packed last year, so get there early. A bar will be set up downstairs also. More information closer to the date.

Don't forget to contribute to the fireworks fund for the 4th. Anthony promised it'll be phenomenal and better than last year.

See y'all round the Club!

GLYC House Report

Laura Willgren & Bob Herrick

The House Committee took on two major projects. We first tackled the front landscaping with the help of many hands. The sprinkler system was repaired (thank you Mark Vincent) and the spotlights in the front were reset. We were able to "re-purpose" the pilings behind the sail locker to make a nice decorative border. Many plants were donated from yards which was a big help. We are also using the seaweed from the beach to finish up this project. A BIG thank you to all that helped make this transformation possible.

Next, we cleaned up the downstairs of the club in preparation of private events and the Bill Hargreaves Fishing Rodeo. We had a strong team of volunteers for this project as well - thank you! Take a moment and stop down there to enjoy this area and to see the nicely decorated picnic tables too.

Looking forward to more projects at GLYC!

GLYC ACTIVITIES

Crappy Crafter's Corner

Second Thursday of the Month @ 10am

Our May meeting was held at the club on May 9th at 10:00. Dee Marie Fisher set up an essential oils demonstration conducted by Nicci Mier of Young Essential Oils. Nicci provided all the supplies essential oils (scents), containers, etc. for a cost of \$10.00 per project. Project 1 was Air Freshener Spray for rooms, linens etc. Project 2 was moisturizers. We had a great time creating our individual scents by combining different oils and flowers! After we finished our projects we went to Pizzaiolli Italian Restaurant on Blue Angel for some really yummy food. We've been busy working on gathering items for the Crappy Crafter's Silent Auction. Our next

meeting has been moved up to the first Thursday June 6 so we can put all the baskets together and start displaying them for the club members. We're still looking for items. If you have something you would like to donate we need everything at the club by Wednesday June 5.

A special thanks to the Crappy Crafters who braved the terrible weather conditions on Monday, May 13th and worked on the picnic tables downstairs. They got a lot done and we'll be finishing up the tables before the BHFR weekend.

Debbie Buckley has a birthday on Sunday, June 9th. If you see her around the club please wish her a very happy birthday!

I'm looking forward to seeing you all around the club!

Reduce Stress and Find Your Balance with Tai Chi Under the Club!

Tuesdays and Thursdays @ 8:30am

Tai Chi has been described as tranquility in motion. It is an exercise that doesn't make the pulse pound, sweat pour, or muscles ache but still produces many of the same stress reducing physiological results of more strenuous activities.

GLYC offers member-led twice weekly sessions every Tuesday and Thursday morning at 8:30. The sessions last about 30 minutes and do not require any special equipment. They are held under the club house, rain or shine, so dress for the weather. The exercises are suitable for all ages but are especially designed for those of us with balance and mobility issues. Newcomers are always welcome. The sessions are free, but the results are priceless.

BUNCO

First Thursday of the Month @ 6:30pm

Nineteen rollers came out for May's Bunco Night, so Mother Goose showed up to round out the field.

Most Losses was taken by Helena Joyner, First Bunco by Margaret West and Last Bunco by Countess Guiles. Half and Half winners were Jeanette Prince and Laura Pannell. Second Place was split between Robert Noel and Rudy Reilly. Also Rudy shared the spotlight with Dean Hoffman for Most Buncos. Lynne Darius and Mike Guy tied for Most Wins.

The next Bunco Night is scheduled for Thursday, June 6. Mark your calendars and bring your friends for an evening of fast, fun, easy to learn Bunco. How easy is it? So easy a drunk monkey could do it! Registration starts at 6:00 and the action at 6:30. The cost is only \$10 per player. Come early for drinks and something good to eat off Chef Tara's menu.

NEXT BUNCO NIGHT THURSDAY, JUNE 6

TRIVIA NIGHT

Third Thursday of the Month @ 6:30pm

What is "anatidaephobia" the fear of, apes taking over, ducks watching you, or birds eating your food? See if you can find the answer hidden somewhere in this edition of the Lagoon Lines. Don't give up your search too quickly. Your editor is tricky but will reveal the answer where you least expect it.

The featured question and nineteen others were posed to the five teams made up of 43 brainiacs competing in May's Trivia Night. In a tight competition with only four points between Worst and First, last month's winners, the Skippers, tied with Kathy's Khaos for the caboose. The Westies and the BABS tied for second, and the Ringers took home the bacon.

The format for the evening is as follows: nine questions are multiple choice, nine are short answer, and two, questions ten and twenty, have multiple point values. That way, every team has a chance to win right up to the very last question.

The next Trivia Night is scheduled for June 20. Cost is only \$10 per team, no limit on team size. Bring your smarty-pants friends or join one of the teams already there. The fun starts when you arrive, but the questions start at 6:30. Come early so you can eat and put on you drinking and thinking caps.
