## FROM THE COMMODORE:

Hey Everyone!

Well, we've had another really busy month here at Grand Lagoon Yacht Club! I especially want to thank all the great volunteers for not one, but two great work days! The first was a work day for the outside grounds and the deck area, and because we had so many folks show up, we did several additional projects that we'd planned for later in the year. Then a couple of weeks later, again, we had great volunteers who helped replace more than half the ceiling tiles in the restaurant area. We'll be coming back in a couple of weeks to complete the ceiling tiles, but the energy and spirit of the last group were contagious!

Thanks to all our volunteers on the House and Entertainment committees for coming up with so many interesting and different activities to keep us all engaged!

Coming up in April we have many great activities planned

but I want to focus on two for right now. Coming up on **April 19th & 25th** will be the **Twenty-Fifth Annual Murder Mystery Theater**. Mystery Writer Extraordinaire Cheri has put together something special for the 25th edition, and I can't wait to see "who dunnit"! In recent years we've had prison food and space food to fit the Mystery themes. This year, Cheri and Chef Gregory are "cooking up something special" to go along with the Cruise Ship theme, so I'm looking forward to that. For new members, the Mystery Theater always sells out, so if you want to attend, please sign up early on the bulletin board near the back door.

The other big event this month is the **Gulf Coast Regional Sunfish Championship Regatta** held at GLYC on **April 26 & 27**. Sailors will be coming from all over the South and the competition will be fierce! If you'd like to get involved as a volunteer just shoot me an email or text.

We're looking for folks for our safety boats and mark set boats and no experience is necessary - we'll train you! It's a wonderful way to spend the day on the water and see some great sailing action close up. Our first training session for the boat crews will be **April 9th at 6:30 PM** "Down Under" and all are welcome.

Last but not least, I want to thank our wonderful staff both in the galley and on the floor. They were pressed this month with several illnesses and a couple of injuries and they still served us well and always with a smile! So thanks! See you all at the Club!

## The Vice's Voice:

Dear Members,

As we start April 2025 I can't help wondering where the time has gone already. March was too fast and furious. So far, keeping up with my goals has been a challenge. I'm trying hard to help our committees, the board, and house staff in providing exciting events, delicious meals, and shared memories you desire. Thank you for being a part of this incredible journey.

March brought on the new menu and so far the majority of feedback has been a resounding appreciation of the added items. Our Chef and his team are working hard to meet and exceed expectations. This past weekend's Low Country Shrimp Boil was just another example of the great cuisine and experience he brings to The Club. The deveined shrimp peeled easily, were delicate and delicious with just the right hint of spice! Don't worry if you missed it, another boil is scheduled for **The Regatta on April 26**. I've heard several positive comments about adding the beer and wine list to the new menu and as I have promised, a cocktail and spirits menu will be added soon. Our staff and I are not above reprise so, if you have a concern please let us know either in person or via our comment

card box so we can improve your experience quickly and/or make adjustments for future experiences.

Your entertainment committee certainly made great choices this past month and April promises more! Music Bingo was fun and I'm betting there will be larger participation in April! The musicians were wonderful, especially our Blessing of the Fleet and Boil entertainment, Bat Bennett's singalong! If you missed him, you can't miss him the next time we book him. That was the first time I've seen a standing ovation in The Club. We owe this great line-up thanks to input from YOU, our Members. The committee hears you, assesses the musicians, and tries hard to fit all these wonderful recommended artists into our entertainment line-up, but not everyone fits the clubhouse interior's acoustics or genres so, we hope booking some of them to the Down Under will enhance all of our members' experiences.

The House committee made important progress in improving the interior appearance. Katherine Hughes and a team of volunteers worked to remove, sand, and re-stain the wooden kitchen and bathroom doors, regenerating some life into the beautiful wood grain. Another team of hardworking volunteers from our membership removed and replaced a

Mike Guy

large amount of ceiling acoustic tiles helping to improve the overall cleanliness and appearance of the interior of The Clubhouse. I applaud and appreciate all the volunteers' assistance. It is easy to recognize why our membership makes this club so special with volunteers like these ladies and gentlemen. Yes, there are still tiles to be replaced but rest assured it will be completed soon, as well as new LED lighting to be placed. I and The Board appreciate all of Laura and Bob's hard work and dedication on and around the house and highly appreciate finding Jerry Garcia to assume the House Committee Chair position.

### A Note on Communication

I am committed to ensuring all members feel heard and valued. That's why we launched the survey earlier in the year. If you have ideas, suggestions, concerns, or any aspect of our Club, please feel free to reach out directly or add a comment to our comments box. Your input helps shape the vibrant community we all love.

Warm regards,

Mike Guy

Vice Commodore

## FLEET CAPTAIN REPORT:

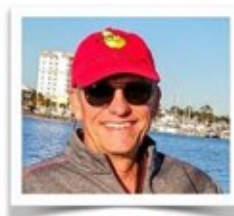

Pete Buckley and Mark Heinold placed in the top 50 in the International Masters Sunfish Championship. The Regatta featured several world and national champions. The weather in Bay St Louis MS was challenging and made for physically demanding sailing. Thanks to Mark and Pete for representing our club so well!

The 2025 GLYC Youth Sailing Camp will be **July 7-9**. This date places the camp halfway between the Club celebrations on the 4th and the Blue Angel Airshow on the 12th. I will be sending out sign-up details for the campers and volunteers shortly. Mark your calendars!

The water is starting to warm so please consider joining in on the Wednesday sailing sessions every Wednesday. We will also begin our adult sailing mini-camps in May. I will place the monthly session on the calendar as soon as I can wrangle the racing schedules to ensure good instructor coverage.

Thanks to the membership for the great support for our fleet!

See you on the water!

### Bill Hargreaves Fishing Rodeo Update

The 54th Annual Bill Hargreaves Fishing Rodeo, **June 12-15**, is fast approaching. This event, held over Father's Day Weekend, is one of the Gulf Coast's premier family traditions. It brings generations of anglers together, with over 200 children (ages 0-12) fishing for free. The Rodeo not only fosters family togetherness but also raises funds for a meaningful cause: The **Sea No Limits Fishing Clinic**, a program that gives children and adults with physical and intellectual challenges the opportunity to experience the joys of fishing.

This is one of Grand Lagoon Yacht Club's most important events we have each year; our largest fundraiser. It takes a lot of us working on various projects to fully prepare for a successful rodeo. We are currently looking for volunteers to attend our next meeting as we get closer to the event. Right now we specifically need members to reach out to or visit local businesses to ask for sponsorship. We are very fortunate to have our first \$5,000 Grand Slam (Diamond Sponsor) **Parish Tractor**, a Kubota dealership thanks in part to our member Kelly Wilder. We look forward to seeing Parish Tractor at our event. I can forward a shortened sponsorship package and previous sponsor list to any volunteers willing to approach businesses. If willing to help or volunteer for the event, feel free to join our next meeting on Wednesday, April 16th at 5:30 pm at the Club.

## MESSAGE FROM THE REAR COMMODORE: Captain Scott Walley

Hello all. I hope everyone is more than well. The fine weather is here finally.

It looks like there are already several fun events on the calendar for 2025. The last few have been a great success. Kudos to the staff and Vice Commodore for making adjustments to the recent shrimp boil due to the weather. It was a blast.

We have already had a couple of practice runs preparing the Marina and boats for some heavy winds. Again, I want to express the importance of double-tying your lines and securing the boats to where

they ride in the center of the slips. This is very valuable with the summer south winds and boat wakes. Also, we have seen a few water supplies left on. Please remember to turn off the water after use.

Regarding the wet slips, we have four available on the East side. We are still full on the West side. The dry storage has five waiting on the list.

We recently had some piling work done. This is the replacement of the broken piling between slips 27&29, and the straightening of slip 17. Hopefully, this will make slip 17

user-friendly.

Well, that's it for me. Many thanks to the great staff. As always feel free to call on me if I can ever be of any assistance.

Kind Regards,

Captain Scott A. Walley

Rear Commodore GLYC

# GLYC Social Scene

Christine Guy

We've got a fantastic month of entertainment lined up at the club, plus a few highlights from March that are still making waves!

Friday nights kick off strong this month with **The Heat** performing on **April 4th**, bringing smooth 70s Classic Yacht Rock from 6–10 PM. You can get a preview of their sound [here](#). On **April 11th**, we welcome back the always-popular **Emily White**, also performing from 6–10 PM. Catch a clip of her live [here](#).

Our Thursday night events continue to be a member favorite. We've got **Bunco** on **April 3rd**, **Music Bingo** on **April 10th**, **Trivia** on **April 17th**, and another round of **Music Bingo** on **April 24th**. Music Bingo is free to play, and it's been a great way to bring people together for fun, laughs, and a few prizes.

Speaking of hits, Bingo has been a massive success, with over 50 people attending each night during its first month! Originally launched as a 2-month trial, it's become a crowd favorite. If you'd like to see it continue, please drop us a note in the Suggestion Box, leave a comment on Facebook, or speak with any Entertainment Committee member. And a huge

thank you to Countess for organizing and overseeing both Bunco and Bingo — her energy and enthusiasm helped make these events truly special.

We're also thrilled to announce that **Karaoke Night** is coming! Starting in May, every month with a fifth Thursday will feature karaoke. The first one will be held on **Thursday, May 29th**, so mark your calendars and warm up those vocal cords.

We'd also like to thank everyone who came out for the Blessing of the Fleet Shrimp Boil. It was an amazing day with an outstanding turnout, and **WheresBats** delivered an unforgettable performance. By popular request, we're already working on a date to bring him back!

One event you don't want to miss is the upcoming **Murder Mystery Dinner**, celebrating Cheri's 25th year hosting this beloved tradition. It takes place on **Friday, April 19th**, and **Saturday, April 25th**, with dinner starting at 6:00 PM. The audience is encouraged to get in the spirit and dress in their best cruise attire! Cheri, with help from Chef, Kathy, and a few creative decorating fairies, has been hard at

work alongside Cheri to make this year extra special. Sign-up is posted in the back and fills up quickly, so make sure to reserve your spot.

Finally, we'll wrap up the month with the always-popular **Regatta Shrimp Boil** on **Saturday, April 26th**, featuring live music by **Greg Mihaly** from 5–8 PM. Greg's smooth beach rock sound is perfect for the occasion, and you can check out his latest original release [here](#).

The Entertainment Committee has been working hard to bring fresh energy to the club while staying within budget. We love hearing your suggestions and ideas — some of our best events started with feedback/suggestions from members just like you. Please keep them coming!

Here's to an unforgettable April and a fun-filled summer ahead!

FIRST BUNCO

**BUNCO**

\*First Thursday of the Month @ 6:30pm

Attendance at March's Bunco night has improved over the last couple of months. Eighteen players were joined by St. Patty and a leprechaun to welcome Spring. Laura Pannell, Kathy Haskins, and Pam Waters tied for Most Losses, but Pam's luck was better as she also won Last Bunco. The First Bunco winner was newbie, Robin Wardell. Five players carded Half and Half: Dean Hoffman, Mike Haskins, Jeanette Prince, Margaret West, and Anna Hagan. Christine Carpenter took Second Place, while big sister, Lara Keefe tied Carol Shackelford for Most Wins. Sue Reilly finished with Most Buncos.

April's Bunco is scheduled for **April 2**. Don't be an April Fool, mark your calendars and join the other players for this fast, fun, easy-to-learn game. The cost is only \$10 per player, and all the money paid in is paid out to the winners. Take this opportunity to get together with old friends, and maybe make some new ones. Registration starts at 6:00 and the game at 6:30. Come early enough to enjoy some of Chef Gregory's new menu items before the action starts.

**TRIVIA NIGHT**

Third Thursday of the Month @ 6:30pm

Which was invented first, glass or paper? You can find the answer somewhere in this issue of the Lagoon Lines, but you have to search for it. Your editor delights in making you work to find it. This question, along with 19 others, was put to the 45 persons making up the six teams participating in March's Trivia Night. Riding the caboose were the 'Nattis. What they lacked in answers, they made up for in enthusiasm. Next in Fifth place were the Ringers. Fourth was taken by West Side and Third by the Skippers. Once again, there was a tie for First. The Time Bandits and Chandelleirs rose to the occasion to match wits for the win.

The format for the 20 questions is nine multiple choices, nine you know it or you don't, and two multiple-point value, catch-up questions. This format allows every team a chance to win right up to the final question. The cost to play is only \$10 per team, with no limit on team size. Make your plans for the next Trivia Night, Thursday, **April 17**. Bring your brainiac friends and get ready to rumble. The fun starts when you get here, but the questions start at 6:30.

## SAVE THE DATE!

**GET READY FOR A SEA CRUISE ON THE LOVE BOAT AS THE GRAND LAGOON YACHT CLUB GETS READY TO CELEBRATE THE 25TH ANNIVERSARY OF MURDER MYSTERIES WRITTEN BY CHERI HONEYCUTT WITH TWO NEW MURDER MYSTERIES. THE FIRST ONE WILL BE PRESENTED ON SATURDAY APRIL 19, FOLLOWED BY THE SECOND SHOW ON FRIDAY APRIL 25. WATCH FOR WEEKLY UPDATES!**

Those who attended the glass-blowing demonstration at the First City Art Center, 1060 Gullemard Street had a great time. They met up with another group of Crappy Crafters at McGuire's at 11:00 and had a fun lunch. Our next meeting is **Thursday, April 10th**, at the club 10:00 am. The craft is to make a card holder out of CDs!

Jeanne Chandler has put together a list and has graciously cleaned out her sewing cabinet to bring the supplies for this craft. Here is what you need to bring:

CDs - will need 2 per holder (there will be extra there to share)

Needle

Thread

Buttons - 2 per holder (also will have extra to share)

Scissors

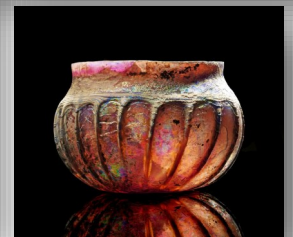

Jeanne has fabric, batting, and a template to trace to make the pattern. If you have some fabric, it should be about 7-inch square or 2 inches wider than the CD. If we could have a head count for this craft, that would be great. I hope you all can make it as this is a good craft to use as a gift or even fun for the grandkids. We need a head count so be sure to respond to Laura's email.

The BHFR is just around the corner! While you're spring cleaning or out and about keep an eye out for things that can be used in "theme" baskets for the Silent Auction.

According to my records...our April birthdays are: Annita Johnson April 10, Judith Clements April 12, Jeanne Chandler April 15, Kyle Fullingim April 18, Shari Sparby April 22, Sharon Easley April 23, Margaret West April 24, Kathy Haskins April 28, and Tonie Allsopp April 30. Give them all a shout-out when you see them around the club!

If you're new to the club or haven't checked out our group please feel free to come to one of our monthly meetings. We always enjoy seeing new faces and getting to know more of our fellow members.

I'm looking forward to seeing you all around the Club! **Cheri Honeycutt**

# TAI CHI

**REDUCE STRESS AND FIND BALANCE  
WITH TAI CHI UNDER THE CLUB!**

**Tuesdays & Thursdays @ 8:30am**

A recent study published by JAMA stated that tai chi's combination of slow deliberate movements, meditation, and breathing exercises improves flexibility, balance, blood pressure, and cardiopulmonary function. Further, it is an excellent physical activity for people of all ages and fitness levels. GLYC offers twice-weekly sessions every Tuesday and Thursday morning. These member-led sessions start at 8:30 and last about 30 minutes. The movements are easy to learn and perform. No special equipment is needed, but we are outside, so dress for the weather. Do your health a favor and take one hour a week to improve your life. There is no charge for the sessions, but the results are priceless.
