FROM THE COMMODORE:

Hey Everyone!

There were so many great activities in April that it seemed to go by in a flash! The highlight of the month had to be the 25th Annual Murder Mystery Theater! Cheri Honeycutt has been putting together these shows for 25 straight years, and they just keep getting better! Cheri is a special person and is one of the many reasons our Club is so special. These shows are an outstanding example of what makes GLYC so great – it involved so many members in the cast, all the folks in the audience were engaged throughout and the atmosphere was exceptional. Since the theme was "A Love Boat Cruise" our galley staff and wait staff put on a show with food and service comparable (or better!) to any cruise ship I've ever been on. Kudos to Kathy and Chef Gregory for an excellent performance – two weeks in a row! Yes, I went to both shows!

Kathy and Chef Gregory quickly followed the exceptional evening on Friday night with an equally outstanding Shrimp Boil "Down Under" for our visiting Sunfish Regatta guests and our members on Saturday night. If you haven't

attended one of these Shrimp Boils then you're missing out. They are delicious!

I want to personally thank all the great volunteers who helped with the Gulf Coast Regional Sunfish Championship Regatta on April 26 & 27th. The competitors were blown away by the hospitality and friendliness that you showed. Many have already committed to coming back next year. Our volunteers provided breakfasts in the morning (thanks Jeanne) and then spent many hours on the water putting on a first-class regatta and making sure everyone was safe. As a Club, we may be relatively new to putting on these sailing events, but we always put on a classy and professional Regatta. I look forward to this program growing in the future.

On a sad note, our Vice Commodore, Mike Guy, had to step down and will be missed. Mike spent many hours at The Club making sure operations were running smoothly and efficiently. Also, Christine has had to step down as Entertainment Chair. She also spent many hours arranging new and different types of entertainment for our Club and did a su-

perb job. Thanks, Christine! We wish you both the best of luck in the future!

The Entertainment Committee will now be Chaired by Peggy Beaudoin, and she has a great committee behind her putting together music entertainment, and other activities for the rest of the year.

In May we have another full lineup of activities such as [Kentucky Derby Day](#) and the official kick-off of summer, Memorial Day Weekend. However, I'd like to bring your attention to our first All Hands Meeting of the year. This meeting is [May 14th at 6:30 PM](#) and we will make several short presentations regarding the operations of the Club. The All Hands Meetings are twice a year and they are your chance to be heard, to ask questions, and to voice concerns and recommendations directly to the Board. We hope for a large turnout so everyone gets a chance to be heard.

Thanks! See you all at the Club!

Kevin

The Crappy Crafters will be in charge of the Silent Auction again this year for the Bill Hargreaves Fishing Rodeo which is held over Father's Day Weekend. We're asking for help from the membership. We have so many talented members and would love to have donations of paintings, quilts, any crafts you enjoy.....if you're kind enough to donate a larger item please indicate a starting bid. We also have a lot of members with boats who might offer a boat ride.....or perhaps you can donate a weekend at a condo.....or something that would be fun and also help your business could be a win win!!!! In addition, we're looking for baskets and items to fill the baskets and there are lots of clever ideas.....baskets with fishing gear, dog toys and treats, games, kids toys, beach bags filled with beachy things and of course wine and booze are always popular!!!! the sky's the limit use your imagination! You can bring your items to the club in a bag or box marked Gift Baskets by **Wednesday June 4**. If you make a basket please indicate a starting bid. Thank you in advance for your help. *Cheri Honeycutt*

FLEET CAPTAIN REPORT:

April was a great month for boating (especially sailing). The water has warmed and the wind has been blowing! Thanks to all boat owners who have kept their boats and trailer areas ship shape. As we have more folks launching please remember to lock the ramp behind you as it is strictly for club member use.

The highlight of the month was our 3rd annual Sunfish Gulf Coast Regional Championship. Thanks to the Commodore for his leadership and many hours of preparation. The Regatta was great!

We hosted 22 Sailors in 9 races over the weekend. The winner was **Eduardo Cordero** who is a World Champion and Masters Champion. We also had many regional champions and several who have been National Championship contenders. We had 8 women and one Junior sailor. Lastly, we had 6 member sailors who represented our club!

Please see the Facebook page for a video of the awards ceremony pictures and race results. Thanks to the entire GLYC Sailing Team for their participation in the Regatta and for representing GLYC at other events.

My sincere thanks to everyone who helped celebrate 25 years of **MURDER MYSTERIES**

A special thanks to Laura Wilgren, Kim Edens, Kathy Renfro, Deb Schreider and Bob Hettrick for the beautiful decor and to all the members who played the suspects and clue givers. The talent in this club is amazing.

Thanks again.....Cheri Honeycutt

MESSAGE FROM THE REAR COMMODORE: Captain Scott Walley

Hello all. Well, summer is upon us and it looks like we have several fun things in the schedule. It appears that the recent Sunfish Regatta was a great success. Thanks to all who put in the hard work.

Not much to report this month as far as dock stuff. Except that, we will be performing some maintenance on the power pedestals which will require us to shut off the power for a couple of afternoons. We will give a few days notice on this.

As far as the docks, we are about the same. We have four slips

available on the east side. We are full on the west side. We have five on the waiting list for the dry storage list.

Thanks to those who were willing to move your boats in the dry storage to allow room for the Sunfish Trailers. We greatly appreciate it. We will be utilizing the property to the west of us this year for special event parking.

This is a blessing.

Thanks to all of the volunteers who help things happen. It's greatly appreciated. And as always thanks to the great staff we

have that keeps things so wonderful.

Please let me know if I can be of any assistance to anyone.

Kind Regards,

Captain Scott A. Walley

April is now finished, and what a busy month it was! Kicking off the Friday entertainment line-up was classic 70's music from The Heat, followed by guitar sounds and country singing by Emily White. Last but not least, was Greg Mihaly for our Down Under shrimp boil dinner to wind up the 2025 Gulf Coast Regional Sunfish Regatta. Who could have thought of a better way to end the month?

April's lineup also included our Thursday fun with Bunco, Music Bingo, and of course Trivia! Let's also not forget our annual treat, from our ever-so-creative Cheri Honeycut, who brought

us her 25th Murder Mystery. What a fun time that was!

The excitement continues for May with Bunco on the **1st**, our very own **Stephanie Stout** on the **2nd**, **Derby Day on Saturday the 3rd**, and Trivia on the **15th**. Ladies, dust off your hats for Derby fun!

The music lineup continues Friday the **9th** with **Rod Hamilton**, and we kick off our very first **Down Under party** on Saturday the **10th** with **Bad JU-JU! Zachary Thomas Diedrich** joins us again on Friday the **16th** for a real country Hoedown. Let's pull out

our best Western Wear for some two-steppin'! Wrapping up the month is the return of **Tommy Mozzulio**.

TRIVIA NIGHT

Third Thursday of the Month @ 6:30pm

Which of these mammals have the highest blood pressure, whale, elephant, or giraffe? You can find the answer hidden somewhere in this issue of the lagoon Lines, but you have to look hard. Your editor has been exceptionally wicked at hiding the last few. This question along with nineteen others, was put to the 43 players on the six teams participating in April's 20 Questions Trivia Night. Kathy's Khaos broke from the Chandelliers to increase their chances but wound up in the cellar instead. The West Siders were missing one of their players who could have helped them on the Elvis question and, consequently, took Fifth. The 'Nattis were one point better for Fourth, The Ringers and BABS tied for Second by a point, but the Chandelliers took an early lead and rode it to the end for First.

The format for the 20 questions is nine multiple-choice, nine you know it or you don't, and two multiple-point value, catch-up questions. This allows every team a chance to win right up to the end. The cost to play is only \$10 per team, with no limit on team size. Make your plans for Thursday, **May 15** for the next GLYC 20 Question Trivia Night. Bring your smart-ass friends and get ready to rumble—or join a team that's already there. The fun begins when you get there, but the questions start at **6:30**.

GLYC ACTIVITIES (cont'd)

Crappy Crafter's Corner
Second Thursday of the Month @ 10am

Cheri Honeycutt

We had such fun at our April meeting making cardholders out of CDs. Jeanne Chandler did a fantastic job of putting together individual packets of the supplies needed to make one cardholder. We enjoyed a great lunch on the deck of the Islander Food Shack. Yes...we sew, knit, and glue a bit...and then we go to lunch!!!!

The BHFR is just around the corner. While you're spring cleaning or out and about keep an eye out for things that can be used in "Theme" baskets for the Silent Auction...plus any artwork, quilts, or other craft projects you're doing. We're also looking for boaters to donate a boat ride or anyone who can donate a condo for a weekend... think about unusual items!

We are looking forward to our **May 8th** Crappy Crafters activities. Countess will be doing a Tai Chi class and Joan will also instruct us on how we need to do our daily stretching and stability moves. We can certainly take some tips from these young ladies as what they are doing must be working so let's jump on that "fountain of youth" train! So come in your comfy clothes and tennis shoes and get ready to stretch it out to get your day started!

We would like to keep the care packages going and are looking for more soldiers that are deployed so that we can extend these thoughtful items too. Please let us know if you know of anyone overseas that would need a morale booster to receive a box from the Crappy Crafters.

According to my records, we have one May birthday...Maureen Duryea will celebrate her birthday on **May 19**. Happy Birthday Maureen!

If you're new to the club or haven't checked out our group please feel free to come to one of our monthly meetings. We always enjoy seeing new faces and getting to know more of our fellow members. I'm looking forward to seeing you all around the club.

I'm looking forward to seeing you all around the Club! **Cheri Honeycutt**

TAI CHI

**REDUCE STRESS AND FIND BALANCE
WITH TAI CHI UNDER THE CLUB!**

Tuesdays & Thursdays @ 8:30am

Tai Chi is a gentle but effective method of exercise for overall physical and mental well-being. The goal is not to see how fast you can do the moves: it is to make the moves flow together. Moving your whole body as a single unit improves strength, balance, and flexibility which are all essential to combating conditions commonly associated with aging. With that in mind, GLYC offers twice-weekly tai chi sessions every Tuesday and Thursday morning from 8:30 to around 9. No special equipment is required, but the sessions are outside, so dress for the weather. There is no charge for these member-led sessions, but the results are priceless!
