## FROM THE COMMODORE:

Hey Everyone!

Judging by the thermometer, it seems SUMMER is here! The month of May just flew by with many great activities at our Club. However, the first on my list this month has got to be to welcome our new Vice Commodore – Bill Burnard! Bill stepped up when we needed him and I'd like everyone to give him a big thank you when you see him at the Club. Bill has a wealth of experience and years of service to GLYC and I can't thank him enough for committing to this demanding job.

We have a lot of activities coming up in June, but the biggest one is the **Bill Hargreaves Fishing Rodeo** over Father's Day Weekend. This will be our 54th Annual Rodeo, and we are hoping for some good weather for this year's edition. Our two chairpersons, **Jeanette Prince** and **Heather Baus**, are working hard to put on a great Rodeo this year but they need your help. They'll be looking for many volunteers, so please step up if you can. They'll be looking for a variety of folks to help, from parking gurus to fish fry servers to help with the weigh-in activities. If you can help

please give Jeanette a call and let her know. Also, the Crappy Crafters will be holding the Silent Auction again this year, so if you have a gift or service to auction, please let any of the Crappy Crafters know. This year the proceeds from the Rodeo will be donated to **The Sea No Limits Fishing Clinic**. This local charity provides children and adults with physical and mental challenges the opportunity to enjoy the thrill of fishing. GLYC has supported The Sea No Limits Fishing Clinic in the past, but we are hoping to be able to make a sizable donation this year.

Now that summer's here your Club will be expanding our operating hours on the weekend. Starting **June 7th**, the restaurant and bar hours will be expanded by one hour each on Saturday and Sunday evenings. Please note the expanded times here in the Lagoon Lines and they will also be posted at the Club. Enjoy!

Long-time GLYC members know well that our Fourth of July Fireworks show is second to none on the Gulf Coast! This year's 4th of **July show will be held on the 4th of July** (that doesn't happen very often)! You may not know that the Fireworks Show is entire-

ly funded by donations from our Club members. So, all during the month of June we'll be taking donations to support that show. If you'd like to donate, see Georgia, or any of your friendly bartenders, and put your donation in the colorful red, white, and blue donation jug at the bar. And put the 4th on your calendars now, it's always a great time!

One thing that happens in the summer is the increased use of the boat ramp. So please be mindful of where you're parking in the lower parking lot so that you don't restrict trucks/trailers making the big U-turn to get to the ramp. And please don't park in front of the boats stored down there. You never know when one of our members will want to take that boat out to go catch dinner.

As usual, I want to thank our great staff, Chef Gregory's folks as well as Kathy's bar and wait staff, for taking such great care of us. We appreciate all you do day in and day out! Thanks!

See you all at the Club!  
Kevin

## THE VICE'S VOICE:

Hello everyone, I don't have too much say as of yet being I have only been in this position for a week or so. I promise that I will do the best job I can and please forward any legitimate questions or complaints to me. They will be addressed and answered promptly. Thank you for allowing me to serve once again.

Bill Burnard

Vice Commodore

The Crappy Crafters will be in charge of the Silent Auction again this year for the Bill Hargreaves Fishing Rodeo which is held over Father's Day Weekend. We're asking for help from the membership. We have so many talented members and would love to have donations of paintings, quilts, any crafts you enjoy.....if you're kind enough to donate a larger item please indicate a starting bid. We also have a lot of members with boats who might offer a boat ride..... or perhaps you can donate a weekend at a condo.....or something that would be fun and also help your business could be a win win!!!! In addition, we're looking for baskets and items to fill the baskets and there are lots of clever ideas.....baskets with fishing gear, dog toys and treats, games, kids toys, beach bags filled with beachy things and of course wine and booze are always popular!!!! ..... the sky's the limit ..... use your imagination! You can bring your items to the club in a bag or box marked Gift Baskets by **Wednesday June 4**. If you make a basket please indicate a starting bid. Thank you in advance for your help. *Cheri Honeycutt*

## FLEET CAPTAIN REPORT:

May was a great month for the fleet. The weather was good and the winds stayed up for sailing and racing. Highlights for the fleet were racing that included Debbie and Pete Buckley taking a podium finish in the Melges 15 and Pete racing his Laser on Lake Pontchartrain in New Orleans. We also held our first adult sailing camp with nine members taking the water with four additional instructors.

Next month Mark Heinold and crew head to the Catalina 22 National Championship in Ft Worth. Our club will enter one keelboat and one catamaran in the Navy Cup, in the first week of June.

As a reminder, our Youth Sail Camp for members of kids ages 8-15 will be held **July 7th-9th**. Please, contact me to obtain registration forms. We need to complete registration before **June 15**. Thanks to the membership for the great support!

See you on the water.

## MESSAGE FROM THE REAR COMMODORE: Captain Scott Walley

Hello all.

Well, guess what month it is? While yes, we do not generally need to worry about storms early in the year, we do need every member with boats in the wet slips and dry storage to have an evacuation plan. Also, per Dock and Dry Storage Rules, you need to keep your boat and/or trailer mobile and ready to be moved.

On another note, please do not leave your belongings on the dock or loose behind your boats in the dry storage areas. (Carts, buckets, crab traps, etc..)

As far as the wet slips we are of course full on the west side and we have three slips available on the east side. Dry storage is of course full with 6 waiting.

We have had some reported issues with the dock water pressure. Unfortunately, we do not have a definite answer about this. We appear not to have any leaks in the lines. However, we did perform one bit of maintenance with the hopes that it would remedy the problem.

Well, that's it for me. Please let me know if I can be of any assistance. As always many thanks to

the outstanding staff.

Kind Regards,

Captain Scott A. Walley

Rear Commodore GLYC

As May fades off into the rear-view mirror, let's recap what a wonderful month it turned out to be! Great entertainment came our way on Fridays, including the return of our very own Stephanie Stout, Rod Hamilton brought his Jazz sounds plus a night of Karaoke. Zachary Thomas Diedrich joined us for his first engagement at the club, bringing a night of great country music and suburb vocals that even included a serenade outside under the stars. Tommy Mazzullo returned once again to close out the month's fabulous Friday night entertainment. On Saturday, May 10th, we

officially opened The Down Under where we danced the night away to the amazing Cristi Dee & BAD JUJU. WOW, what a party and huge success that was! Mark your calendars for their return on Saturday, **September 27**.

May's lineup also included our Thursday fun with Bunco and of course Trivia!

The summertime fun continues for June, with **Bunco** on the **5th**, Music **Bingo** returning on Saturday, **June 14th**, Thursday, **June 26th**, and of course, **Trivia** on the **19th**.

The music lineup continues for Fridays, starting on the **6th** with **Emily White, Rusty** on the **20th** and **Sugar-cane Jane** on the **27th**.

Our Saturday lineup kicks off **June 21st**, with **The Heat** spicing up the Down Under for a night of dancing, and **Tommy Mazzullo** entertaining us on the back deck on the **28th**. Looks like we're in for a good month!

## **FIRST BUNCO**

**BUNCO**

\*First Thursday of the Month @ 6:30pm

Sixteen players came out for May's Bunco. Jeannette Prince followed up her winning streak of First Buncos with yet another one. That makes three times out of the past four months! Way to go Jeannette! Most Losses went to Mike Haskins, and the Last Bunco to Sue Reilly. Jeannette and Sue also won Half and Half along with Kim Sweitzer. Patty Sweitzer and Joe West took Third, and Rudy Reilly took Second along with Most Buncos. Kay Main set a Most Wins record with 16 out of 18 wins!

The next Bunco Night will be **June 5th**. The cost is only \$10 per player for this fast, fun, easy-to-learn game. All the money is paid back out to the winners. Take this opportunity to get together with old friends, and make some new ones, too. Registration starts at 6:00 and the action at 6:30. Come early enough to enjoy something off Chef Gregory's menu before the fun begins.

TEAMS/PLAYERS: 6/40

5TH PLACE:

**TRIVIA NIGHT**

Third Thursday of the Month @ 6:30pm

Which president issued an unconditional blanket pardon to all Viet Nam era draft dodgers? Don't know? Your Lagoon Lines editor has the answer hidden somewhere in this issue. This question along with nineteen others was put to forty players on the six teams participating in May's Trivia Night. The first half was close with several teams tied. The second half was also close with only three points separating first and last before the final question. However, the final question put some separation in the teams. The Skippers, West Siders, and BABS were in a three-way tie for Fourth, the 'Nattis lodged a last-minute protest to come in Third, and the Chandelliers and the Ringers tied for First.

The format for the 20 question is nine multiple-choice, nine short answer, and two multiple points value, catch-up questions. This format allows every team a chance to win right up to the end. The cost to play is only \$10 per team, with no limit on team size. Make your plans for **June 20th** for the next GLYC Trivia Night. Bring your team of brainiac friends and get ready to rumble. The fun starts when you get here, but the questions start at **6:30**.

# GLYC ACTIVITIES (cont'd)

 **Crappy Crafter's Corner**  
Second Thursday of the Month @ 10am

*Cheri Honeycutt*

Many thanks to Joan Ferry and Countess Guiles for showing us how to move without hurting ourselves and how to stretch all our muscles to help us keep our balance. It was fun and informative. We capped off the morning with lunch and conversation at Hub Stacey's.

The BHFR is just around the corner. While you're spring cleaning or out and about keep an eye out for things that can be used in "Theme" baskets for the Silent Auction...plus any artwork, quilts, other craft projects you're doing. We're also looking for boat-ers to donate a boat ride or anyone who can donate a condo for a weekend... think about unusual items! We need the items by **June 4** unless you're coming to help make the baskets on June 5.

This month we're holding our Crappy Crafter's meeting on Thursday, **June 5** so we can prepare and display the baskets and other Silent Auction items. We'll be putting together the baskets and/or getting those already done ready to display. You'll be able to check out the items Thursday night and they will be on display in the club until Father's Day when the items will be carried downstairs for the end of the Silent Auction after the presentation of awards.

We'd love to keep the care packages going and we're looking for more soldiers that are deployed so we can extend these thoughtful items too. Please let us know if you know of anyone overseas that might need a morale booster and receive a box from the Crappy Crafters. My grandson and his group loved the boxes we sent to them. It was like Christmas in May and they all were thankful that we thought of them! They loved the Beef Jerky!

I know I don't have all the birthdays but according to my records we have one June birthday: Debbie Buckley will celebrate her birthday on **June 9th**. Happy Birthday Debbie!

If you're new to the club or haven't checked out our group please feel free to come to one of our monthly meetings. We always enjoy seeing new faces and getting to know more of our fellow members. I'm looking forward to seeing you all around the club!

# TAI CHI

## REDUCE STRESS AND FIND BALANCE WITH TAI CHI UNDER THE CLUB!

**Tuesdays & Thursdays @ 8:30am**

Studies show that tai chi, an ancient Chinese form of exercise, helps develop balance, mobility, and confidence. Further, people who regularly participate in tai chi can cut the risk of being injured in a fall by half. GLYC offers tai chi sessions twice weekly, every Tuesday and

Thursday morning. Sessions start at **8:30** and last about 30 minutes. The sessions are designed for seniors but are beneficial for all age groups. Newcomers are always welcome. No special equipment is required, just remember to wear comfortable shoes and dress for the weather. There is no charge for the sessions, but the results are priceless.
