01 JULY 2025

Kevin Marshall

FROM THE COMMODORE:

Hey Everyone!

Well, June went by fast! We had so many great events this past month that I'm sorry to see it go. However, the highlight of the month has got to be the Bill Hargreaves Fishing Rodeo! We had a fantastic turnout of fishermen and women with plenty of kids involved and excellent weather. We also had numerous generous sponsors who made this whole event possible. I want to personally thank Jeannette Prince for doing a superb job of herding all our various volunteers, sponsors, and committees together to put on a truly outstanding event. And thanks to all our volunteers who gave up so much of their time to make this year's Rodeo a total success!

I also want to call out our Entertainment Committee for putting together such a fine and diverse program of musical talent. Peggy Boudoin and her whole Entertainment

Committee team have outdone themselves with some of the acts both upstairs and "down under"! I'm hearing a lot of great comments about the music and I look forward to what's in store for us in the coming months!

July is looking jam-packed also! The 4th of July will kick us off in high gear right off the bat. I'm looking forward to the fireworks show from Anthony Scalese and his crew - he's promising bigger and better than ever! He has certainly delivered in the past so I can't wait! And FYI, while the fireworks at GLYC are second to none on the Gulf Coast, it's also totally supported by member donations. There is still time to support the fireworks fund by placing your donation in the colorful (red, white & blue) jug at the bar. And then come and enjoy the show, the music, and the good food on July 4th at GLYC!

The last event I'll mention is one that I particularly enjoy,

the Kids' Sail Camp! Watching these kids develop over just a few days - from a scared and intimidated beginner - to a confident, "I can do this" sailor, is a joy to watch and be a part of. This year Sail Camp is being held the week after the 4th of July (and before the Blue Angels Beach Show), so we hope to have a really good turnout. This is a fun camp for the kids and just as much fun for the adult volunteers. If you'd like to get involved please let Tom Wagner know and I'm sure we can find a role for you to help us out.

And last but not least, I want to thank our great staff, Kathy's bar and wait staff, and Chef Gregory's team, for taking such great care of us. We appreciate all you do! Thanks!

See you all at the Club!

Kevin

THE VICE'S VOICE:

What's up?

Well, I survived my first month without any major drama or major complaints. It feels good to serve the club once again and also meet members I had previously not met. Please don't be shy about submitting any suggestions or complaints so that I can address them in a sensible manner.

Please review the GLYC's Sexual Harassment Policy posted on the board outside the restrooms. If there are any questions about the policy, please contact any Flag Officer or board member.

On another note, our staff should be treated with respect and not be talked down to. If there is a problem with your food, drink, or a staff member, contact the appropriate manager or board member for a remedy.

I'm planning on getting a few floor fans for Down Below to increase airflow for events. I want to thank Peggy for the selection of entertainment she has booked for our pleasure. I hear many compliments on the music she has selected.

I personally want to thank Kathy Renfroe and

Chef for their professionalism and dedication to our club. It makes my job a little easier and more enjoyable.

On the last note, see y'all!

Bill Burnard

FLEET CAPTAIN REPORT:

June was an exciting month for the fleet at GLYC. The following sailors represented our club in the Navy Cup; Kevin Marshall, Shaun Clements, Jim Baus and Tom Wagner. Also Mark Heniold and Pete Buckley sailed in the Catalina 22 National Championship in TX, scoring mid-fleet in the Championship. Our upcoming Youth Sail Camp has a full crew of 24 kids. The camp starts on Monday 7/7-7/9. Please be careful as you drive in the parking lot as the kids will be between the water and the sail loft constantly. Anyone wanting to volunteer to help with the camp, please call me directly at 615.336.3832.

See you on the water.

MESSAGE FROM THE REAR COMMODORE: Captain Scott Walley

Hello all.

I hope that everyone is doing well and managing the heat! Well, the Hargreaves Rodeo turned out to be a great successful event. Thanks to the Rodeo Committee and Crew for the hard work. It is sounding like the 4th of July event will be a great one as well.

We are now officially into the Hurricane Season. Hopefully, nothing to be concerned about of course. However, please remember to keep your boats and trailers mobile and ready to go. All volunteers are certainly welcome and appreciated should we need to prepare the marina and

property for a storm.

Please let me or the club know if you would like to be put on the call list. Things are about the same in the wet slips and dry storage. We have four wet slips available on the east side and of course full on the west side. As far as dry storage we have 6 on the waiting list.

Most importantly, we have had some serious problems with members parking in non-parking areas. A few people have been parking in front of the dry storage boats. Some have parked in no-parking areas, hindering traffic and boat ramp access. This is a very disrespectful act.

IT has been decided that cars violating parking rules and blocking others will be towed at the owner's expense.

Well, that's it for me. Thanks to the awesome staff that we are blessed with. Please call on me if I can be of any assistance.

Kind Regards,

Captain Scott A. Walley

Rear Commodore GLYC

Which president issued an unconditional blanket pardon to all Viet Nam era draft dodgers?

ANSWER: Jimmy Carter

Last Month's Trivia Question:

GLYC Social Scene

Peggy Beaudoin

It's hard to believe that 6 months ago this month we were shoveling snow! Summer has certainly started to heat things up for us, including the fabulous entertainment we've had come our way in June. In addition to fun and games with Bunco and Trivia, we saw Music Bingo back by popular demand.

Musical entertainment for June included the Friday night return of Emily White, Rusty, plus our first performance by Sugarcane Jane. Stay tuned for the return of Sugarcane Jane in October! The second Saturday night Down Under party, for the summer, featured the easy listening music of

The Heat, and Tommy Mozzullo rounded out the month performing on the back deck. Thank you all for attending these Saturday night performances and helping to make them a success.

Summer entertainment will continue to ramp up as we kick off with **Bunco** on the **3rd**, and then Boom, Boom, Boom the 4th falls on a Friday! In addition to the dazzling fireworks show, put on by **Anthony Sclease**, music will be provided both inside and outside by **DJ Sandy Feet**. Rounding out the fun and games, we have **Music Bingo** on the **12th and 24th**, and Trivia on the 17th.

Friday night's music lineup for July is sure to please with **Taylor Ward** on the **18th**, and **Spicy Danger** on the **25th**. Then, on July **19th**, the Saturday night Down Under party will feature our first performance by the **Shadowcasters**, starring our very own David Parden. You might want to bring chairs, as this is sure to be a big night, and don't forget to wear your dancing shoes!

Tommy Mozzullo will be closing out the month on the **26th**, playing once again on the back deck.

Until next time!

Peggy Beaudoin

I would like to give a special thanks to the many volunteers, sponsors, and supporters who helped make the 54th Bill Hargreaves Fishing Rodeo a success. This annual rodeo has been held on Father's Day for over 50 years involving both parents and children in a family fishing event, promoting the sport of family fishing and strengthening the family unit.

We would like to thank the Grand Lagoon Yacht Club for hosting the event and our many Sponsors in the Junior Fish and Open Division.

Special Thank You to Robert Turpin our Weigh Master and Steve Whiting and Rachel McLarty for scoring. We would also like to recognize Kathy Renfrow and Gregory Kotkoff for our Food & Beverage, Jim Phillips and Marilyn Donelan for Apparel/Merchandise, the Crappy Crafters, and the entire GLYC staff. **-Jeannette Prince**

TRIVIA NIGHT

Third Thursday of the Month @ 6:30pm

What famous performer was married to bandleader, Xavier Cugat? You can find her hidden somewhere in this issue of the Lagoon Lines. Look hard, your editor loves to make you work for it. This question along with nineteen others was put to the 50 players on the seven teams in June's Trivia Night 20 Question Challenge. The first half was very close with only four points separating the first from the worst. It was almost that close going into the final question, too. However, question 20 created more separation in the results. The 'Nattis and The Time Bandits rode the caboose, and the Ringers were only one point better to take Fifth. BABS and The West Siders tied for Third, and the Chandelliers held on for Second. First Place went to first-time winners, The Skippers. Congratulations to all the participants. Your cognitive functions are firing on all cylinders!

The format for the questions is nine multiple-choice, nine you know it or you don't, and two multiple-point value, catch-up questions. This allows every team a chance to win right up to the final question. The cost to play is \$10 per team, with no limit on team size. Make your plans for **July 17th** for the next 20 Question Trivia Night. Bring your brainiac friends or join one of the other teams. The fun starts when you get here, but the questions start at **6:30**.

GLYC ACTIVITIES (cont'd)

Crappy Crafter's Corner
Second Thursday of the Month @ 10am

Cheri Honeycutt

I'd like to start by thanking every member of the club who donated or helped with the Crappy Crafter's Silent Auction. Thanks to you it was another fantastic success this year and a lot of fun to boot!

Our Crappy Crafter's gals just keep amazing me. On June 5th we met at the club to put together the Silent Auction Baskets. At 10:00 there were tables and tables of donated items and empty baskets. By noon we had put together 60-plus beautiful baskets! That's what I call teamwork! We celebrated by going to lunch at Hub Stacey's.

This month we're holding our annual "Christmas in July" Crappy Crafter's meeting on **Thursday, July 10th**. I'm excited to announce that as a special treat this year we will be entertained by the Blue Anchor Belles, who are Pensacola's own trio of military spouses bringing vintage music to entertain our group. There will also be a gift exchange. The theme this year is "Santa Hits the Beach". Please bring a \$15 gift with a beachy/summertime vibe. The club will be providing our lunch.

We'd love to keep the care packages going and we're looking for more soldiers who are deployed that we can extend these thoughtful items to. Please let us know if you know of anyone overseas that might need a morale booster and receive a box from the Crappy Crafters. I already have items to donate!

I know I don't have all the birthdays but according to my records we have two July birthdays...Jeanne Williams will celebrate her birthday on July 8th, and I'm celebrating my birthday on July 10th!!!!

If you're new to the club or haven't checked out our group please feel free to come to one of our monthly meetings. We always enjoy seeing new faces and getting to know more of our fellow members. I'm looking forward to seeing you all around the club!

Cheri Honeycutt

Join Us for the Cruise Meeting – July 23 at 6 PM!

Red will be hosting an important Cruise Meeting on Tuesday, **July 23 at 6:00 PM**. Please remember: the \$125 per person fee is due, and it's time to place your T-shirt orders!

Don't miss it – we're getting ready to set sail!

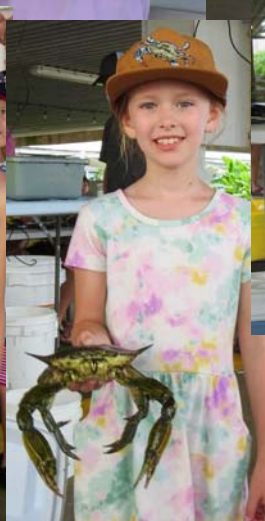

TAI CHI

**REDUCE STRESS AND FIND BALANCE
WITH TAI CHI UNDER THE CLUB!**

Tuesdays & Thursdays @ 8:30am

A recent study published by the Journal of the American Medical Association states that tai chi's combination of slow, deliberate movements improves flexibility, balance, and cardiopulmonary function and is an excellent activity for people of all fitness levels. GLYC offers twice-weekly sessions every **Tuesday and Thursday** morning. These sessions start at **8:30** and last about 30 minutes. The movements are easy to learn and perform, and no special equipment is needed. The sessions are held Down Under, so dress for the weather. Do your health a favor and join this member-led activity. There is no charge for the sessions, but the results are priceless.
