Bob Munson

FROM THE COMMODORE:

Happy New Year!

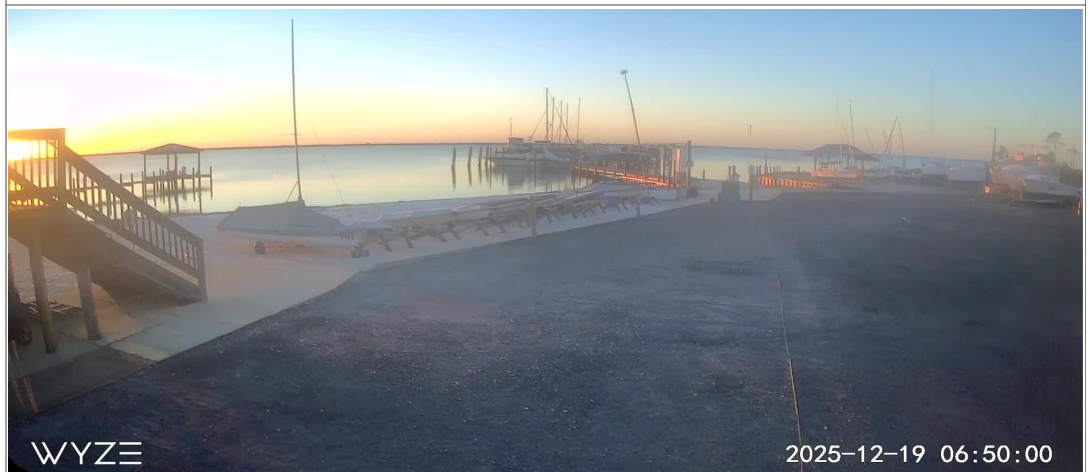

I want to thank the membership of GLYC for electing a new board to help us navigate through 2026. I would also like to thank the 2025 serving members: Lacey Fullingim, Patty Sweitzer, Michael Guy, Bill Burnard, and Terry Smith. Kevin Marshall led us through a wonderful year and will stay on the Board as Past Commodore. A special thanks to Scott Walley, who has served as Rear Commodore for many years. It's hard to think of Rear Commodore without picturing Scott. Another member who is leaving the Board is Bob Matson. Bob has served as Commodore, Vice Commodore, Treasurer, and

worked in every area of our club. Bob has vast knowledge of our club, and now it is time for him to relax. But we won't let him. He has agreed to help us until we know everything he knows. (This could take years) Thanks, Bob.

Your new Board is ready to make your club even better. But we can't, without your help. We need your ideas, your suggestions, and your participation. Please join one of our committees so that we can all reach our full potential.

I personally don't see any big changes needed in our club. Sometimes, little changes can make a big difference.

Commodore Bob Munson

THE VICE'S VOICE: CHERI HONEYCUTT

As we usher in 2026, I'm excited, enthusiastic, and optimistic...and I plan on staying that way!

Thanks to the efforts of the 2025 Board, we're getting ready to hit the ground running. The 2025 Board voted in December to enter into an agreement with **Club Spot LLC**. The new Board was at that meeting, and we are very excited about getting this service up and running. I don't believe I'm overstating it when I say this system will revolutionize the way our club operates. It will streamline and interconnect, and integrate the daily operations. During January, Club Spot will be on-site training everyone involved, including myself and other members of the Board. Our goal is to go "live" with the system the last week of January. During this process, I can promise you there will be some pain and suffering, so please bear with us. Never fear...we're prepared and will have plenty of aspirin on hand!

We're so fortunate to have Chef Gregory

and his team working at GLYC. They did a wonderful job last year, and we're looking forward to another great year. In conjunction with the new Club Spot system, Chef Gregory is working on an updated menu and has many ideas for fun events during the new year. I'm encouraging him to "let his creative juices flow"!

Our Club Manager, Kathy Renfrow, continues to run the club smoothly. She and her staff are ready and eager to get trained on the new Club Spot program and help the club move forward to better serve the members.

In addition to all this exciting news...we're going to have a fun month!!! Our annual **"Redneck Regatta"** will be held on **Sunday, January 18th at 2:00**. You can learn more by reading the Fleet Captain's article.

Peggy Beaudoin did an excellent job with entertainment last year and has lined up music for January. Please check the En-

tertainment section for more details. We're looking forward to a lot of new entertainment ideas this year!

I'm looking for a "few good men" and "women!" to work on the House Committee. We need a chairperson to lead this team. I have a few simple ideas that will freshen up the club and make it a more inviting place to come and enjoy each other's company.

You're going to be seeing me around the club a LOT...I'm usually the one in the "Bling"!!!! I want to hear your comments and suggestions, and I'm ready to listen. I will admit upfront that I definitely don't know all the answers, but with your help, we'll find the answers! We're a membership club, and each member's opinion and ideas count. So come join me as we begin 2026!

Cheri Honeycutt, Vice Commodore

FLEET CAPTAIN REPORT:

December was a light month for the fleet. No racing to report, just a bunch of planning! We were awarded the Hobie Wave Formula Grand Prix on September 20 and 21st, 2026. It will be known as the Joe Cook Hobie Wave Regatta. Thanks to Kevin Marshall and Jim Baus for their leadership in getting this prestigious event. I would like to recognize and welcome a new member, Laser Sailor Tsuruyo Vazquez! She and Pete Buckly have been spotted on the Lagoon stealing a few hours of practice during our warmer days.

The highlight of the month was the great Christmas Boat decorations and Parade! Thanks to all owners who participated in both. Special thanks to all members who came out to view from the dock and deck. I look forward to a bigger and better parade next year. I will be holding a Sail Locker clean up day on **February 7, 2026** from **9 am until noon**. If you have any gear in the locker or plan to use club gear, please attend. Anything that I am unable to find ownership of

will be set aside. **IF you have gear in the shed and are unable to attend, please take the time to clearly mark all of your items.**

Thanks!

MESSAGE FROM THE REAR COMMODORE: JOE LINDSTROM

Here we go, 2026,

As a kid growing up on Big Lagoon, I never imagined that I would one day return home to become a member of this very cool yacht club, and I am incredibly excited to join the team and help ensure the continued fun and camaraderie that define GLYC.

I have big shoes to fill as I take over the Rear Commodore position from Scott Walley, who has shaped so much of GLYC. I know Scott will continue to provide guidance and be there, as always, helping to keep the facility ship-

shape. I will be planning a few workdays soon and will be casting a wide net in search of help to maintain and improve our outdoor spaces and docks.

As of now, we still have four wet slips available on the east side and none on the west side. The dry slips are currently full, but there is no waitlist. If you see an issue with the docks or outdoor spaces, or just have a suggestion, please don't hesitate to contact me.

I enjoy reading about the great explorers of the seas, and I plan to

leverage some of that content here. Here's your first question: Where did Magellan—the great Portuguese explorer (funded by the Spanish king, by the way)—ultimately meet his end? Hit me up at the club if you want to chat about it.

See you on the dock.

Joe Lindstrom Rear Commodore,
GLYC

Hello 2026! Time to once again dust off those New Year's resolutions and lose weight, exercise more, spend more time with family and friends, and save more money. I think we need to make some new resolutions, like learning how to sail, dancing the night away at the Down Under, and watching sunsets from the upstairs deck. Who's with me?

Coming out to listen to the January entertainment and participating in fun & games is also a good way to start the new year. Here is our lineup for January

It appears the Bunco train may be running out of fuel. Only eight of the Bunco faithful came out for October's Bunco Night. Most Losses were taken by Anna Hagan, First Bunco by Bill Mayo, and Last Bunco by Shari Sparby. Bill and Shari also had Most Buncos along with Christina Carpenter. Most Wins were split between Sue Reilly and Kay Main. Because of the low turnout for the last two or three months, along with the beginning of the holiday season, Bunco will be put on pause until **February 2026** at the earliest. January would have been considered, but the first Thursday is on January 1st! Anyway, stay tuned for any further updates.

TRIVIA NIGHT

Third Thursday of the Month @ 6:30pm

In National Lampoon's Christmas Vacation, what does Clark Griswald want to buy with his Christmas bonus? You can find the answer to this question hidden somewhere in this issue of Lagoon Lines, but you have to really look for it. Your editor delights in making it hard to find. This question, along with 19 others, was put to the 34 players on the four teams competing in December's Trivia Night. The Chandelliers returned after a brief absence to hitch a ride on the caboose. They were closely followed by another revived team, Jedi, which took third place. Second went to perennial winners, West Side, but the Skippers repeated as the winners.

The format for the 20 question is nine multiple-choice, nine you know it, or you don't, and two multiple-point value, catch-up questions. This allows every team a fighting chance to win right up to the final question. Cost to play is only \$10 per team, with no limit on team size. Make your plans now for **January 15** for the next 20 Question trivia Night. Bring your smarty-pants friends and make your own team or join one of the other friendly ones. The fun starts when you get here, but the questions start at **6:30**.

GLYC ACTIVITIES (cont'd)

Crappy Crafter's Corner
Second Thursday of the Month @ 10am

Cheri Honeycutt

Welcome to Crappy Crafters 2026! Thanks to the ideas from the members at our December meeting, we have an exciting year planned.

We had a record 40 ladies attend our annual Christmas Luncheon and gift exchange. After completing the 2026 calendar, we started our gift exchange. And what a fun Christmas gift exchange we had! There were lots of really nice gifts, and many steals too! And yes...Banana Bob did make an appearance!

Many thanks to Kathy Renfrow, Georgia, and Chef Gregory for taking such good care of us. There were rave reviews on the table set up and the luncheon, which was served buffet style.

For our first meeting on January 8th, we had a trip planned to Pensacola Cooks, but there was a date conflict. Laura Wilgren has replaced the cooking class with a sea glass art project. I'll admit that sounds like a great replacement!!!! Watch for emails with more information. We'll be meeting at the club at 10:00!

According to my records, we have three January birthdays...Kim Edens leads the month with a birthday on January 3. Lynn Wentz has a birthday on January 7, followed by Sissy Ball on January 24. Please wish them a Happy Birthday when you see them around the club. If you're a member of Crappy Crafters and have a birthday in January but don't see your name, please let us know, and we'll be happy to add you.

I'm happy to announce that next month, Lynn Wentz will be taking over the Lagoon Lines article. It has been my pleasure writing this monthly article. I was happy to give back a little for all the happiness our group gives me! If you're new to the club or haven't checked out our group, please feel free to come to one of our monthly meetings. We always enjoy seeing new faces and getting to know more of our fellow members. I'm looking forward to seeing you all around the club this year as Vice Commodore.

**REDUCE STRESS AND FIND BALANCE
WITH TAI CHI UNDER THE CLUB!**

Improved mood, muscular strength, balance, lowered blood pressure, and reduced heart rate are just a few of the many known benefits. GLYC offers twice-weekly member-led sessions every Tuesday and Thursday morning from **8:30 to 9:00**. These exercises are suitable for all ages and fitness levels. The slow, controlled movements are simple and easy to learn, and newcomers are always welcome. There is no need for any special equipment, but the sessions are held outside, so be sure to dress for the weather. There is no charge for these sessions, but the results are priceless.
