Commodores Corner

What a difference a few weeks can make in our world. I know that many of us are in a state of disbelief, fear and sadness during this time of self distancing and separation as we battle the Covid 19 pandemic. My heart goes out to the many who are so severely impacted. In times like this, our GLYC family is missed more than ever. We are doing our very best to manage GLYC and its employees through this crisis. We have posted updates on our GLYC Facebook page and will continue to send updates as needed via email.

Despite this unfortunate situation, there has been a great amount of activity at GLYC during the last two weeks at the club. We have newly painted walls, re-stained wainscoting, cleaned and repaired items in the kitchen and ceiling, deep cleaned the bar area, kitchen, office and more. The burgees have been rearranged and look fabulous! THANK YOU to the numerous members who committed their time and talent to make this happen (Mary Ann, Catherine, Deborah, Kristine, Bob M, Bob T, Chris, and others I may have missed). The downstairs project is complete, and the dredging will be finished soon. Our GLYC home is really looking good!!

We are looking for someone to step up and fill the open position of Vice Commodore as Ken Williams had to resign due to health concerns. Thank you, Ken, for your contributions and we wish you the very best during this time. If you are interested in this flag office position, please contact me or any board member.

Please remember to support the club as much as you can by ordering takeout meals and tipping our staff. Remember that the outside areas of the club are still open, and the views are still as beautiful as ever. We are all in this together and by helping one another, we will get through this challenging time. This too will pass, and we will gather again and enjoy our GLYC home.

Take care and be safe.

Best regards,

Mark Orangio, Commodore GLYC

The Vice's Voice

To All My Grand Lagoon Yacht Club Family,

This past week I tendered my resignation as your Vice Commodore. It was not a decision I took lightly as you had placed your confidence in me to serve as your Vice. My current medical treatment of chemotherapy for my second fight with cancer has severely depressed my immune system and energy level and coupled with the coronavirus pandemic, I am unable to do the job I had hoped to do. I am leaving the job to very capable hands.

Both Jeanne and I look forward to seeing you when this pandemic passes. Until then, we are quarantined per my medical team's orders.

Thank you for your support and understanding.

Ken Williams

Hello Members,

Hope everyone is practicing advertised cautions during this time of COVID19.

It appears our country and state leadership are doing the right thing and as best as they can. We have had a very productive March for the GLYC. March 14th we had a major clean up. When you get a chance please thank the following, without their sacrifice we would have not achieved all the work that was completed. Complete clean up, Pressure washed front, side and back windows decks and platforms. Dug and leveled beach. Pulled out Old Junk Trailer and cleaned and stowed small boats, cut and trimmed oak tree and palm trees. Pressure washed below deck. Disposed of "not used" since last clean up. Cleaned boat ramp. Completed some sanding for inside club.

Bob & Meg Matson / Mark Orangio / Terry Smith / Chris Bonner / Traci and Dave Adkins / Bill and Debbie Burnard / Debbie and Pete Buckley/ Ed Barger / Kevin Marshall / John Barko / Stan Kocil / Bob Kennedy / Dan Clark / Joe Linn / Lawrence Donelin / Mike Haskins / Jim Nikell / Ms Terra for a great lunch (I know I missed someone, Please inform me if I missed you).

The projects are complete except for the dredging which should be done before this letter is posted. Below deck Ceiling replaced, added outlets , secured all conduit underneath ceiling, added light day/night sensors, flood light for playground, closed cell insulation, Water and electric ran to Terry Smith House.

Make sure you fully use the clubs "Carry Out" Menu. It is the best!

R,

Bob Toole
Rear Commodore

Lecture Series – Rules of the Road – Moved to April 28th

Since we couldn't have a March lecture, we moved it to Tuesday, April 28th at 6:30 pm. Kevin Marshall, a retired Coast Guard Officer, will be helping us learn the Rules of the Road.

Annual Safety Checks – April 18th – This will most likely be moved to May

On Saturday, April 18th we will invite the Power Squadron or Coast Guard Auxiliary to do boat checks on all member's boats. Bring your boat by to be checked and get a sticker that will help the Coast Guard and Marine Patrol know you are in compliance and hopefully leave you alone.

Wednesday Night Racing

We had our first evening race on Wed, March 18th. We had six racers and two on the committee boat. The Blue Angels returned home from winter training while we were out there, so it was especially awesome. We are not sure if we can continue to race or not. Lindy updates the sailors she knows of each week. If you would like to get on her contact list, send your name, phone and email to lkconsulting82@att.net.

Sailing Camp – Week of July 6th

Sailing Camp will be held the week of July 6th. This is between the Fourth of July and the Blue Angels Beach Show, so mark your calendars and invite your grandchildren.

Raft- Ups

Mike and Leigh Odom have volunteered to head up Raft-Ups for the club. Stay tuned for the first one when things get back to normal.

Life Jackets

Just a reminder that any time you are on a GLYC boat, you are required to **WEAR** a life jacket at all times.

CRAPPY CRAFTER'S CORNER

How do I start? Life is crazy right now but we WILL get through this. In the meantime, let's all do our part to keep each other safe.

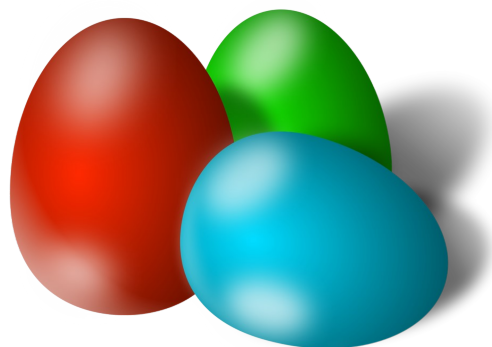

We had an awesome time on the 10th observing a glass blowing artist. We were making plans to go to a class, but that's been put on hold for now. There were over 20 of us that enjoyed lunch at McGuires. Marti and I bought a gigantic pretzel and shared it with the group.

Our April meeting on the 14th is on hold for right now. Cheri will keep us posted.

Our Biloxi trip, also, is in limbo, but I'll keep y'all posted.

One thing that CAN'T be postponed is our Birthday girls special day: Jeanne C. on the 5th, Annita on the 10th, Shari on the 22nd, me on the 28th, and Toni on the 30th. Give us something positive to look forward to.

Craft on Girls and stay safe y'all, Kathy

Bunco, Bunco, Bunco

March Madness Bunco had 390 participants, the highest number in some time. St. Patty and The March Hare rounded out the field of players. The first ever, First Bunco was taken by Kathy Haskins, and the Last Bunco went to Bill Mayo. Most Losses was shared by Annette Orangio and Linda Hagerman. There were only four Half and Half(s): Red Rodgers, Mike Haskins, Sue Reilly, and Kay Main. Third Place went to Joan Ferry and Sharon Easley, and Second Place to Maureen Valentino and Countess Guiles. Countess also split Most Buncos with Tracy Sclase, Christine Toole, Lara Keefe, and Debbie Burnard. Debbie also took Most Wins honors. As you are no doubt aware, co-vid 19 has changed many schedules for GLYC activities. April's Bunco may or may not be the first Thursday, or be rescheduled, or be cancelled altogether. Only time will tell when GLYC will be able to return to normal operations. In the meantime, practice social distancing and wash your hands frequently.

Which presidential candidate is credited with making a campaign promise of two cars in every garage and a chicken in every pot,--was it Warren G. Harding, Calvin Coolidge, or Herbert Hoover? Find the answer somewhere in this issue of the Lagoon Lines. The BABS won March's Trivia by default. It was the only team to show up, not that anyone should blame them. In reality, coronavirus actually won the night. Hopefully, things will be back on track, and we can hold April's Trivia on schedule. If not, your Trivia Queen will still be hard at work coming up with fun, interesting questions to ask when things get back to a normal routine. Until then, keep a happy thought, be good to one another, and remember to wash your hands.
