## Commodores Corner

Hello members,

I hope this finds all of you staying sane and safe during the past month. I know that it's often difficult to remember what day it is. I wish that I could say that we are preparing for a grand reopening of our renovated club. Hopefully May will bring more positive news and the beginning of a slow return to some sort of normal.

The board met as scheduled last week and has agreed to continue to support and pay all our staff for the next month. We are able to do this while maintaining a cash positive financial position. This is only possible due to the continuous support of all members. Thanks to all of you for your commitment to GLYC. We have applied for some Federal Assistance and updates regarding specifics will be provided as we know them.

I'm pleased to announce that Catherine Hughes, a recently elected board member, has agreed to become our Vice Commodore. Catherine brings experience, enthusiasm and energy to this important role and her impact has already been seen at the club. I look forward to working closely with her moving forward. Thank you Catherine for stepping up!

Our staff has adapted to the situation by wearing masks, maintaining diligent cleanliness and respecting social distancing rules. As we move towards adapting to this, please remember each of our individual responsibilities to protect ourselves and others. We will continue to monitor local and state COVID-19 updates and respond as appropriate. This is a very unique and challenging time for all of us, but one that we can slowly overcome and eventually return to a new normal at GLYC.

Stay safe, be nice to one another, and take care.

Respectfully,

*Mark Orangio, Commodore GLYC*

## The Vice's Voice

Hello everyone,

I hope you all had a happy and healthy April. In case you have not heard, I've accepted the position of Vice Commodore at the club, and I'm very excited to help out. I am a third generation Pensacolian and a west side girl.

During the downtime for the club, our staff has been hard at work, deep cleaning and re-organizing so we can be better than ever when we open again.

The club is still open for takeout, so keep us in mind when your deciding what to have for dinner. There are dinner specials every Wednesday and Friday. Please remember to practice social distancing when picking up your takeout from the club to keep everyone as safe as possible.

We've also started offering Boat Takeout from 11-6, Saturday and Sunday. This menu can be found on our Facebook page.

GLYC is also available as an event space, so if you know of anyone having a birthday/anniversary/celebration of any kind, please consider recommending GLYC.

Unfortunately, all May events have been cancelled due to the virus. As of right now, the club management is following the guidelines put in place by the governor of Florida and will keep everyone updated should those guidelines change.

## *Grand Lagoon Yacht Club*

Hello Members,

I hope everyone is finding way's to be productive and happy during these times. The concrete should be poured by the time you read this. New concrete space is given under the building, under the stairway, slab under topside refrigerator unit, and out on the southwest beach under the Terry Smith House. The idea is to attract members to utilize these spaces more and for renting these spaces for events. We need a few volunteers for the following (Scheduled as we get volunteers to call, text, or email me):

#1-Complete South West beach rake. Clean the sand and rake up any dangerous items. Then and FOB walk down.

#2-Replace Ladder on swim Island (Well get wet). Probably take 2 people, QTY (4) ½" lag screw, first drill pilot hole. Could paint the ladder if needed. The ladder is stored currently in front of the storage building.

#3-Move KAYAK racks south 25', facing Bow south. 4- 6 people.

General Quarters: All dry slips are taken. Do not park in a dry slip that appears open or you will be towed out.

Please have patience as you use the ramp to recover and launch. Remember transient slots are for a limited time and NOT overnight. Please use wet slips that have an OPEN sign on them for short-term over-night.

ALL trailers launching, recovering, and storing MUST have a GLYC sticker on them. Please get yours from Mary Ann.

## From the Fleet Captain

### Lecture Series – Rules of the Road – Moved to late May or June

We will have the Rules of the Road lecture as soon as it is safe to do so, in late May or June. Kevin Marshall, a retired Coast Guard Officer, will be helping us learn the Rules of the Road.

### Annual Safety Checks – May 9<sup>th</sup> and 16<sup>th</sup> – MUST SIGN UP AHEAD OF TIME

Our local Power Squadron is willing to come to the yacht club on both Saturdays May 9<sup>th</sup> and 16<sup>th</sup> from 9am to noon. So they will know how many inspectors to bring, you must sign up for one date or the other ahead of time. *Please email me at [lkconsulting82@att.net](mailto:lkconsulting82@att.net) or text me at 850-375-7152 to let me know 1) which date, 2) whether your boat is “in the water”, at the club on a trailer, or you will bring it that day, and 3) whether it is a boat you register with the state every year or if it is a “documented” vessel.*

### Wednesday Night Racing - On Hold for now

**Use of Club Boats** – to be able to use a Club boat, you must first be checked out by one of the following people: myself, Mike Odom, Laurence Donelan, or Joe Cook.

### Sailing Camp – Week of July 6<sup>th</sup>

We are still planning to hold Sailing Camp the week of July 6<sup>th</sup>. This is between the Fourth of July and the Blue Angels Beach Show, so mark your calendars and invite your grandchildren. Please let Mary Ann know if you have a child who will be attending.

### Raft- Ups

Mike and Leigh Odom have volunteered to head up Raft-Ups for the club. Stay tuned for the first one when things get back to normal.

### Life Jackets

Just a reminder that any time you are on a GLYC boat, you are required to **WEAR** a life jacket at all times.

### **CRAPPY CRAFTER'S CORNER**

Again, as last month, it's taken me a week to try to figure out what to say. This is a new experience for everybody. Those of us that are huggers, is especially hard. I know for myself; it's taken a toll on my sanity. The only huggables I have are Mike and Tater and Chip. After a while, I just wanna hug a tree or a chair. We are a strong bunch of ladies, and we WILL get thru this then we gonna have the biggest huggathon party ever.

Not too promising about our May outing to the Zoo, but it don't look too promising as well as our Biloxi trip. Just realized we don't have any May birthday girls, but June looks a little better. Us April birthday girls sure got screwed, but there's another excuse for a do over party when our world gets back to some kind of normalcy. Sure do miss our fun times as Cheri expressed in her email. Our outings, our lunches, the Murder Mystery, Biloxi, Bunco, Friday nights, Taco Tuesday. Got so much to look forward to.

My first outing in over a month was to the Yacht Club on Friday the 24th to pick up our takeout order. Mike went upstairs to order, I sat down at one of the picnic tables to enjoy the view. Got sand in my toes again. Mike brought down our drinks waiting on our order. There were many members mulling around, also enjoying the awesome weather, socially distancing of course, and talking and laughing. what an awesome sound and scene. If anybody hasn't been down there to enjoy what we have as a Club needs to. Made my heart happy. We, as members of this fine Yacht Club have soo much to be thankful for. The takeout food has been great and we're keeping our staff working. Thanks, y'all, our amazing staff, for helping to keep our Club going. I remember what we went thru after Ivan. Sitting around a bonfire, singing, laughing, building what they call the Sail Locker now, for a temporary Bar then our outbuilding for cooking. Sooo many memories. Now we'll have even more totally unforgettable memories. We need everybody's support.

**Stay safe, save hugs, and keep on crafting. See y'all soon, Kathy**

Example: A member spends \$10 for the month on either bar or galley but has not met the monthly minimum of \$25. This member will be assessed the \$25 minimum monthly fee on their next invoice.

## **BUNCO/TRIVIA**

Co-Vid 19 was the winner for April's Bunco and Trivia, and sadly, it looks like it will be the winner again in May! Maybe by June we can be back in a regular schedule for both of these monthly events. In the meantime, just to stay in practice for Trivia, how many times did Elizabeth Taylor marry? You can find the answer somewhere in this edition of the Lagoon Lines. Until then, stay safe, practice social distancing, and wash your hands!
