Commodores Corner

Hello members.

I am happy to report that we are slowly moving towards a more normal pace at the club. There are now inside tables available for members, however we are limited to the capacity allowed inside. Many of you have enjoyed being at the club again even if its not quite the same as having a seat at the bar with its great view.

Please remember to respect social distancing rules and wear a mask when indoors and/or within six feet of others. Those of you who are at a higher risk should be especially careful around others around the club and elsewhere.

As many of you know, June normally is Hargreaves fishing rodeo month. We have postponed this event until further notice. There is a distinct possibility that Hargreaves #50 will occur in 2021. The Board will continue to monitor the situation for any possible changes in this decision.

We will be having a member appreciation event next Saturday June 6th downstairs. Tara and staff will be serving up a dinner of pork and side dishes. There will also be a special "surprise" for everyone to enjoy. Mark your calendars for what will be a fun time.

Thanks again to everyone for supporting and enjoying our club with take out orders, drinks and your presence . Please don't forget to thank our staff. They work hard to serve us.

Stay safe and be nice to each other,

Mark Orangio
Commodore GLYC

The Vice's Voice

Greetings from the Vice!

I hope you all had a wonderful May. If you haven't heard, Governor DeSantis has opened all restaurants to 50% capacity! Unfortunately, the bar is still closed, but there seems to be light at the end of the tunnel. The staff has used this time to work on the inside of the club. We have ordered some much-needed kitchen equipment, as well as new bar equipment. Hopefully, we will have everything in place before we are at 100% capacity.

June 6th is our Membership Appreciation Party, which is our way of saying "Thank You" for all of your support during this trying time. We hope you all can make it (we will be social distancing of course!).

Catherine Hughes
Vice Commodore

Hello Members,

Well, the month of May is behind us and we are into June 2020. We hope all of you are doing well. We had the following accomplishments for May 2020. Hopefully, club members are positively affected by these changes. We added an Ice Machine and it appears to be utilized. We did have the compressor freeze up on Friday 22nd May and was fixed the next morning. All the concrete was finished (Great Job Dan Clark Concrete and Renovations). Lights and electric by Tony Colabianchi ASC electric. Kayaks rack moved, south trailer Dry slips lined and boats positioned. Thank you to Terry Smith, Greg Mourning, Stan Kocel, Bill Burnard, Bill McMillan, Kevin Marshal, Bob Matson, Lawrence Donelyn (Fixed Ladder on Island), and anyone I might have missed. Maintaining our club takes volunteers and it is appreciated.

We will do the North and South facing dry slips this month. Once we are finished we will logically number each slip accordingly. We are also reviewing and adding things to the lease agreements. These changes if approved by your board of governors will be sent to all who have dry or wet slips.

General Quarters: When parking at the GLYC please be courteous as to parking correctly and efficiently. Do not park vehicles in Dry slip spaces. Park boat trailers in between the Yellow dashes upfront. Thank you for your help.

R,

Bob Toole, Rear Commodore

CRAPPY CRAFTER'S CORNER

As of today, Friday, May 22nd, Perdido Key has opened back up. Mike and I went for a Jeep ride, and, boy is it opened. All the way out everything is wide open. Cars parked all along both sides of the road, all the restaurant parking lots are full, and Flora Bama, on both sides, was maxed out. We rode down as far as Cobalt's. Packed!! I'm glad we live on this side of the bridge. Pictures from Ft. McRee showed it really getting busy. Good stay at home weekend.

On a personal social distance gathering note, for the last 5 weeks, Mike and I have hosted a come together in our yard on Thursdays from 5:30 to 6:30. We have our friend, Rhoda from Hawaii dancing. Bob Mickelson singing Elvis Hawaii style with Rhoda, then yesterday, Rusty was here doing Elvis, a couple sing alongs, and songs that Rhoda danced to. It just kinda happened and kept on going. Our Spring series finalizes on the 28th. After that for our Summer series. We have a big yard with plenty of room for chairs and coolers.

Our May gathering was on Wednesday, with us on the deck. Just getting together and talking, and drinking, of course, with go lunches was fun. Our June get together is gonna be different too. Instead of the Flora Bama, we're gonna be making Infinity lights. I have all the supplies. Me, Becky, and possibly Debbie will be instructing. The light attachment will be \$5.00 plus a small donation for the kits. I have 5 different sizes and many colors. If the Club is open, we'll meet on Tuesday. If not it'll be Wednesday. Cheri will notify us closer to the day.

Our June birthday girls are Lindy on the 3rd, Debbie on the 7th, Emma on the 22nd, and Betty Z on the 24th. Party on girls.

Stay safe, save hugs, and keep on crafting. See y'all soon, Kathy

Bunco and Trivia

Rats! We've been foiled again by Co-Vid 19! Not to worry, though. When it's okay to meet in large groups safely, we'll be back in the Bunco and Trivia business. In the meantime, here's a question for you: Jeff and Beau Bridges are the sons of what '50s TV action star? Bonus point if you know the name of his show! Don't know? The answer can be found somewhere in this issue of the Lagoon Lines.
