## Commodores Corner

Hello members,

June was a month where the best laid plans are always subject to surprises and bumps into the road. We all have been yearning for some semblance of normal. Then along came Christobal as well as more bad news regarding Covid 19 in Florida. Top that off with the unexpected passing of a wonderful man, Joe Cook, past Commodore and a GLYC presence that can never be replaced. We miss you Joe.. Rest In Peace.

Despite all of this, life does go on and I am very grateful for all of our member's support of the galley and bar, the effort of the Board of Directors, and our staff. I know that many of us find enjoyment and diversion at GLYC.

We will have our Annual All Hands Meeting on July 23rd at 630pm. This is when the GLYC Board will present updates on club finances, capital improvements and general club condition. Make plans to attend as this an open forum for members to learn about the club and comment.

Please refer to the calendar for other events for July. Unfortunately, due to the Covid situation we will not have the fireworks show this year. And as recently communicated, the sailing camp has been canceled. We will consider another time and date for the member appreciation dinner.

Please remember to stay safe and be nice to each other.

We will get through this.

Respectfully,

**Mark Orangio**  
**Commodore GLYC**

## The Vice's Voice

Greetings Members,

As most of you know we lost long time member Joe Cook this month. Joe was an invaluable member of this club, his contributions helped the club become what it is today, and he will be sorely missed, but not forgotten. My thoughts and prayers are with Rose and the family.

The State of Florida has shut down bars once again, which means members can order cocktails, but you cannot sit at the bar. Additionally, we will no longer be able to provide koozies for beers. It is GLYC's goal to make everyone as comfortable as possible during this situation, so we have asked our staff to please wipe down bathroom fixtures, door handles, and rails with bleach water during the course of the day. There is sanitizer at the front door, at the bar, and on all indoor tables.

If you haven't been inside lately there have been some changes. I would like to personally thank Marilyn Donnelan and Meg Matson for some of the new additions. Marilyn kept club photos for years, placing them in photo albums and labeling them. The photos on the dining room wall were chosen from those albums. Meg gave her time and talent to painting the club logo on the wall. The photos and the logo turned out perfect and are a great addition to our club! Thank you again ladies.

There have been several questions concerning MaryAnn's departure from the club. Please be assured that the Board is not hiding anything from our members. The Board agreed with MaryAnn not to discuss the reasons for her departure.

Thank you to all our members for your support!

**Hello Members,**

We hope you had a great June despite the trials we all faced. Once again the storm chasers were on hand to help us minimize the damage to the dock and facility. Thanks to those who assisted in the evolutions during and after the storm. With a few exceptions, we are mostly fixed and enjoying our little paradise. The following are members who assisted during and after the storm. Terry Smith, Bob Matson, Bill Whelan, Lawrence Donelan, Dave Adkins, Bill Burnard, Bill McMillan, Parish Smith, Rodney Smith, Kevin Marshall, David Jolly, Tony Colabianchi, Stan Kocil, Dan Clark, The late “Joe Cook” RIP friend, Daddy Joe Linn, Deborah Burnard, Meg Matson, Chris Bonner, Bruce Muller, Catherine Hughes, Lindy Kirkpatrick, Traci Adkins. Things were moving fast during the storm, so if I missed you please accept my apology and know, your help is greatly appreciated.

Ongoing projects are finishing lining the north/south facing dry slips. Once complete we will re-number them. Thank you to all for your patience.

We wish the Cook family “fair winds and following seas” as they navigate this time of loss of a loved one. Our thoughts and prayers are with you. God Bless!

## Lecture Series – Hurricane Preparedness – Thursday, July 23rd

Annually we offer a lecture to help boaters prepare for a hurricane. It will be on Thursday evening, July 23<sup>rd</sup> at 6:30 pm.

## Sailing Camp Cancellation

After hearing all the concessions we would have to make to keep the children, instructors and families safe, we determined we needed to cancel sailing camp for this year.

**Wednesday Night Sailing/Racing** - come out on Wednesday evenings. First race starts at 5:30. Need to get there at 5 to choose a boat and get it rigged. You must wear a life jacket to participate in a club activity so please bring one with you that fits properly.

**Use of Club Boats** – to be able to use a Club boat, you must first be checked out in it. Please call, text or email me at: 850-375-7152 or [lkconsulting82@att.net](mailto:lkconsulting82@att.net).

## Raft- Ups

Mike and Leigh Odom have volunteered to head up Raft-Ups for the club. Stay tuned for the first one.

## Life Jackets

Just a reminder that any time you are on a GLYC boat, you are required to **WEAR** a life jacket at all times.

### **BILL HARGREAVES FISHING RODEO**

Father's Day has come and gone. Unfortunately, Covid-19 has come and has yet to leave us. Consequently, the 2020 Bill Hargreaves Fishing Rodeo has been cancelled. What we need to do is concentrate on our 50<sup>th</sup> Anniversary Rodeo being held Father's Day 2021. The 50<sup>th</sup> anniversary is a big deal, this year or next. The Grand Lagoon Yacht Club remains the foundation of this event, in 2020 and in 2021. I look forward to an exceptional 50<sup>th</sup> Rodeo in 2021. Thanks to all.

### **CRAPPY CRAFTER'S CORNER**

With a heavy heart I write this article. I feel I can speak for our group, that the Crappy Crafters are all heartbroken over the loss of Rose's husband, Joe. Such an awesome man, husband, father, grandfather, 2015 Commodore of our yacht club, aside from being the Tai Chi instructor, and the mastermind behind the Kids Sailing Camp. He will be missed by all, and rest assured we have Rose (and her family) in our hearts and prayers. We are certainly here for you, my friend.

Our June gathering was a lot of fun. With the help of Debbie and Becky we taught how to assemble infinity lights. Still have more if anybody is interested.

Our July gathering, on the 14th or 15th will be our Dirty Santa Christmas in July. Cheri will send out an email with the details.

Our Birthday girls are Jeanne on the 8th and Cheri on the 10th. Enjoy your party month.

Again, our prayers and hugs are around you Rose and your family.

Keep on Crafting, Kathy

Please be aware that the Grand Lagoon Yacht Club imposes a \$25 minimum monthly fee for the bar/galley. This means that each "member number" must spend a minimum of \$25 each month for this fee to be waived.

Example: A member spends \$10 for the month on either bar or galley but has not met the monthly minimum of \$25. This member will be assessed the \$25 minimum monthly fee on their next invoice.

## **Bunco and Trivia**

Great news on Trivia. We're back to thinking and drinking this month! Question just for a refresher: What is the only state capital that shares no letters with the name of its state? Since you can find the answer to that question somewhere in this newsletter, it will not be one of the twenty asked on **July 16th**. The fun starts at 6:30, so come out, team up, and have fun! Only \$10 a team, and no limit on team size (well, except for possible Covid-19 restrictions).

Bunco--it looks like Bunco is still a no-go for July. There's just a little too much personal interaction with too many different people in our current health environment. Hopefully, we will be able to resume this very popular activity in the near future.
